MESSAGE FROM THE GOVERNOR.

Mr. Speaker:

I am directed by his excellency, the governor, to communicate to the house a message in writing.

J. K. JACKSON,
Private Secretary.

GOVERNOR'S MESSAGE.

Gentlemen of the Senate and House of Representatives:

I herewith transmit to you the report of Mr. John H. Caldwell, who has been acting as the agent of the State in the enforcement of the claims of the State of Alabama against the United States for what is known as the five per cent. fund, or the two and three per cent. fund of the net proceeds of lands lying within the State and sold by act of congress.

Subdivision 3 of section 6 of the act for the admission of Alabama, passed March 2, 1819, read as follows:

Third. That five per cent. of the net proceeds of the lands lying within the said territory, and which shall be sold by congress, from and after the first day of September, in the year one thousand eight hundred and nineteen, after deducting all expenses incident to the same, and improving the navigation of rivers, of which three-fifths shall be applied to those objects within the said state, under the direction of the legislature thereof, and two-fifths to the making of a road or roads leading to the said State, under the direction of congress.

At the time I came into office this claim of the State was being resisted by the United States government on the ground that the State of Alabama was indebted to the United States in the sum of five hundred and twenty-nine thousand, three hundred and thirteen dollars and thirty-three cents on account of the direct tax which in the year 1861 had been apportioned by the government of the United States to the several states as a war tax. This was the amount which had been apportioned to Alabama, and which,

as was well known, had never been actually paid by the State, and the authorities at Washington held this amount of \$529,313.33 to be a set-off against the fund which had accumulated and was accumulating under the act of admission.

By virtue of the act of the legislature, approved February 23, 1887, I made a contract with Mr. John H. Caldwell, who had been previously acting as agent under contract with my predecessors, governors Cobb and O'Neal, for the further prosecution of this claim.

The State, through its agent and by counsel, instituted proceedings against the United States, and these proceedings were prosecuted with varying fortunes until finally an adjudication was held by the supreme court of the United States favorable to the claim of the State. The decision was rendered on the 24th day of October, 1887, and since that time there has been covered into the State treasury on account of this fund the sum of \$33,119.90. The contract with the agents of the State was directed by an act of the legislature to be made contingent on the success of the proceedings and following the terms established by my predecessors, and approved by my judgment, was fixed at 25 per cent. of the amount realized, the agent paying all expenses of the litigation. There will be covered into the State treasury in a few days an additional sum representing the net proceeds of the 5 per cent. fund, the sale of public lands for the year ending June 30, 1888.

The result of this contract has been the realization of three-fourths of the accumulated fund and the removal of a formidable set-off of over a half a million of dollars claimed by the United States government. Hereafter the accruing proceeds under the act of admission will be covered into the State treasury without any expenses whatever, and there is no further legislation necessary for the purpose of continuing the benefits to which the State is entitled under the act of admission.

The report of the agent, Mr. Caldwell, covers these transactions and also the prosecution of the claim of the State for the swamp and overflowed lands, and gives valuable information as to the claim of the State for indemnity for school lands in the place of the sixteenth section lost by reason of private claims, pre-emption, Indian claims, or where the sixteenth section is wanting by reason of State boundaries, rivers, etc., and these latter matters I expect to make the

subject of a special message to you before your final adjournment.

INSANITY.

I think there should be some legislation at this session which will give better security to the community against the crimes of the insane or the alleged insane. Whenever it is recalled that the principal object of human punishment is the preservation and advancement of society it is easy to become reconciled to the confinement of those insane people who have at any time in their lives shown that their going at large is a menace to society.

Lofty speculations concerning the diseases of the mind are entertaining and instructive, and are truly calculated to ameliorate the condition of the afflicted, but the immediate protection of the innocent and the preservation of the social order are weightier considerations. I should be satisfied to return in criminal administration to the ancient inquiry as to whether the person charged with crime knew right from wrong; but if this rule shall appear to be harsh I earnestly recommend the passage of a law which shall more effectually secure the courts and country against imposition by false and desperate pleas of insanity.

APPEALS IN CRIMINAL CASES.

I have long thought that the delays incident to criminal administration are unworthy of our civilization. The court below, on the trial of any considerable case, presents usually a spirited and brilliant trial of legal hermeneutics between the counsel for the state and the learned counsel for the criminal. On each and every pertinent issue presented by the counsel, the circuit judge must then and there, without an opportunity to investigate, decide, and all the questions, whether merely technical or meritorious, may become, and do generally become, a part of the record for the review of the appellate court. Necessarily in our system there must continue to be very many reversals of causes in cases where the merits of the issue are not even in a remote degree affected by the particular point on which the case was reversed. It is alleged that a great lawyer once used this language:

"An advocate, in the discharge of his duty, knows but one person in all the world, and that person is his client. To save that client by all means and expedients, and at all hazards and costs to other persons, and among them to himself, is his first and only duty, and in performing this duty he must not regard the alarm, the torments, the destruction, which he may bring upon others. Separating the duty of a patriot from that of an advocate, he must go on, reckless of consequences, though it should be his unhappy fate to involve his country in confusion."

And while this disgraceful doctrine has never been accepted by an honorable profession, yet it is well known that the zeal of counsel is usually very great. All the meritorious points are reasonably certain to be made in behalf of the defendant by his counsel, and yet section 4059 of the Code affirms that no assignment of error or joinder in error is necessary, and requires the supreme court in effect to search the record for a reversible error. I recommend the repeal of this section of the Code.

Further, I do not think that the supreme court should be required to reverse a judgment in any case unless a majority of the judges should be of the opinion that the defendant is on the evidence presented in the record entitled on the merits to a new trial. I know that such a law would crowd the record with substantially all the testimony taken in the trial in the court below, and to this extent would increase the labor of our already overworked appellate court, but the evil which such legislation would remedy is so great that I think this additional labor might reasonably be required; indeed in the long run, in the suppression of unmeritorious appeals, it might be found to lessen the work of reviewing criminal cases.

THOMAS SEAY.

The message from the governor was read.

Mr. Hundley moved that 500 copies of the governor's message be printed for the use of the house. The motion was adopted.

Mr. Lewis offered the following resolution, which was lost :

Resolved, That the governor's message be referred to a committee of five, with instructions to parcel out to the respective committees (when raised) the different subjects contained in said message.

On motion of Mr. McLeod the house adjourned till 10 o'clock to-morrow morning.

THIRD DAY.

HOUSE OF REPRESENTATIVES,
Thursday, November 15, 1888.

The house met pursuant to adjournment.

Prayer by Rev. Dr. Burkhead of the city.

Present—Messrs. Speaker, Adams, Allen, Anderson, Arrington, Barnett, Benners, Bevis, Bogart, Bordeaux, Bush, Blevins, Bradley, Brown, Carter, Clark, Clements, Cochran, Cornelius, Cunningham, Curtis, Darby, Dark, Davie, Denson, Dupree, Dykes, Files, Fitzpatrick, George, Hardy, Henderson, Higgins, Hogue, Hundley, Johnson, Kemp, King, Knight, Kyle, Lay, Ledyard, Lee, Lewis, Long, Longshore, Lowe, Maddox, Mancill, Maley, Meador, Miller, Moseley, McElderry, McElvey, McLendon, McLeod, McRee, Nelson, NeSmith, Nisbet, Paine, Parker, Patton, Pettus, Pitts, Porter, Posey, Powell, Pratt, Rabb, Rattray, Richardson, Russell, Simmons, Sowell, Summers, Smisson, Smith, Stansel, Stone, Stowers, Tatum, Wade, Walker, Ward, Watson, Watters, Weaver, Webb, Wiley, Williams, Winston, Woolf, White of Dallas, White of Geneva.

Mr. Knight offered the following resolution :

Resolved, That a committee of three be appointed to wait on our distinguished senator, Jno. T. Morgan, and extend to him the courtesies of the house; and that during the senator's presence the house take a recess.

Mr. White of Dallas offered the following as a substitute, which was adopted :

Resolved, That the courtesies of the floor be extended to senator Jno. T. Morgan during his stay in Montgomery.

On motion of Mr. Hundley, the vote by which Mr. Lewis' resolution of yesterday relative to parceling out the Governor's message to a committee of five was lost, was reconsidered, and then on motion of Mr. Hundley said resolution was adopted.

MESSAGE FROM THE SENATE.

Mr. Speaker :

The senate has adopted the joint resolution herewith sent in relation to the 2 and 3 per cent. fund.

W. L. CLAY,
Secretary.

SENATE MESSAGE.

The joint resolution was concurred in, and the speaker appointed the following committee on the part of the house:

Messrs. Clements, Stone and Rabb.

Resolved by the House, (the senate concurring :)

That the two houses of the general assembly shall meet on Friday, the 16th day of November, at 11 o'clock, a. m., in the hall of the house of representatives for the purpose of opening the returns and counting the vote of the late general election for governor and other state officers.

Resolved, That the enrolling and engrossing clerks, shall assist the clerk when not engaged in the discharge of their respective duties.

Mr. Wiley offered the following resolution :

Resolved, That the call of counties for the introduction of bills be postponed until after the committees of the house are announced by the speaker.

Mr. Lay offered the following as a substitute, which was lost :

Resolved, That the rule requiring bills to be referred to committee on first reading, be suspended till the appointment of the standing committees, and all bills introduced

before the appointment of the standing committees, be read a second time on the day after their introduction.

The resolution of Mr. Wiley was then adopted.

The speaker appointed the following committee from the house, as provided by section 34 of the Code of Alabama :

Messrs. Lay, Cunningham and White of Dallas.

Mr. Lowe offered the following resolution, which was lost :

Resolved, That the clerk of the house be authorized to employ such additional clerical force in his office as he may deem necessary.

MESSAGE FROM THE SENATE.

Mr. Speaker :

The senate has adopted the joint resolutions herewith sent in relation to the appointment of a special committee to rearrange the dates of the terms of the chancery court of the southwestern chancery division of Alabama.

Also,

To consider legislation necessary to relieve the crowded dockets of the courts of the 7th circuit.

W. L. CLAY,
Secretary

MESSAGE FROM THE SENATE.

Mr. Hundley offered a resolution as follows, which was adopted :

Resolved, That 250 copies of the rules of the house, when reported, and 200 copies of the list of standing committees, when appointed, be printed ; and that the doorkeeper be directed to have a copy of said rules and list, when printed, laid on the desk of each member of the house.

Mr. Meador offered the following resolution, which was laid on the table :

Resolved, That five hundred copies of the governor's message be published for the use of the house, in addition to the number already ordered.

The following resolution by Mr. Lee, was adopted :

Resolved, That a committee of three be appointed from the house, to wait upon the governor's private secretary, or other person having the custody of the capitol, and request him to have the interior and exterior arrangement of this hall, and cloak room put in more perfect order for the convenience, comfort and health of the members.

Mr. Speaker, from the committee on rules, submitted the following report and rules for the government of the house, which were received and adopted :

Mr. Speaker :

The committee on rules submit the following rules for the government of the house, viz :

RULES.

RULE 1. The Speaker shall take the chair every day at the hour fixed on the preceding adjournment ; shall immediately call the members to order, and on the appearance of a quorum, cause the journal of the preceding day to be read.

2. He shall preserve order and decorum ; may speak to points of order in preference to other members, rising from his chair for that purpose. He shall decide questions of order, subject to an appeal to the house, at the request of any member ; which appeal shall be decided without debate.

3. He shall rise to put a question, but may state it sitting. All questions shall be distinctly put in this form, viz : "Those in favor of (as the question may be,) say aye ;" and after the affirmative voice is expressed, "those opposed to the motion say no." If the Speaker doubts, or a division is called for, the house shall divide. Those in the affirmative of the question shall rise from their seats ; and afterwards those in the negative.

4. He shall have a right to name any member to perform the duties of the chair, but such substitution shall not extend beyond an adjournment. Whenever he is sick, or otherwise providentially unable to attend, or necessarily absent, the house shall elect a speaker pro tem, who shall discharge the duties of speaker till his return and no longer.

5. Fifteen members shall have power to send for absent members or to move a call of the house; but no call of the house shall be made except on the concurrence of a majority of the members present. A majority of the house shall be a quorum to transact business.

6. When any member is about to speak or deliver any matter to the house, he shall rise from his seat and respectfully address himself to the speaker.

7. If any member, in speaking or otherwise, transgress the rules, the speaker shall, or any member may, call him to order; in which case the member so called to order shall immediately sit down, unless permitted to explain; and the house shall, if appealed to, decide on the case without debate. If the decision be in favor of the member so called to order, he shall be at liberty to proceed; if otherwise, and the case require it, he shall be liable to the censure of the house.

8. When two or more members happen to rise at the same time, the speaker shall name the person who is first to speak.

9. No member shall speak more than twice to the same question without leave of the house, unless he be the mover or chairman of the committee proposing the matter pending, in which case he shall be permitted to speak in reply, but not until every member choosing to speak shall have spoken.

10. Upon the call of the house for taking the ayes and noes on any question, names of the members shall be called alphabetically, and each member shall answer from his seat.

11. When any question is taken by ayes and noes, and a member who has been absent returns before the question is decided, he shall be privileged to make inquiry of the subject before the house, and record his vote without discussion.

12. When a motion is made, it shall be stated by the speaker; or if in writing, shall be read aloud by the clerk; and every motion shall be reduced to writing if the speaker or any member request it.

13. Any member may call for a division of the question, when the sense will admit of it.

14. Members shall particularly forbear personal reflections; nor shall any member name another in argument or debate.

15. After a motion is stated by the speaker, or read by the clerk, it shall be deemed in possession of the house, but may be withdrawn by leave of the house, at any time before decision.

16. When a question is before the house, motions may be

received in the following order, to-wit : 1st. To fix the time to which the house shall adjourn. 2d. To adjourn. 3d. To lay on the table. 4th. For the previous question. 5th. To postpone to a certain day, not beyond the probable duration of the session. 6th. To commit. 7th. To amend. 8th. To indefinitely postpone.

17. A motion to adjourn shall always be in order, even in the absence of a quorum.

18. When a vote has passed, except on the previous question, or on motions to lay on the table, or to take from the table, it shall be in order for any member who voted with the majority to move for a reconsideration thereof on the same day, or within one hour after reading the journal on the succeeding day, and such motion, if made on the same day, shall be placed first on the orders of the day for the day succeeding that on which it is made, unless the mover desires present consideration ; but if first moved on such succeeding day, it shall be forthwith considered ; and when a motion for reconsideration is decided, that decision shall not be reconsidered, and no question be twice reconsidered : Provided, however, that a motion to reconsider a vote, upon any incidental or subsidiary question, shall not remove the main subject under consideration from the house, but shall be considered at the time when it is made.

19. No bill or joint resolution of this house shall be sent to the senate (unless by special order of the house,) until the time allowed for the last preceding rule for reconsideration shall have passed.

20. The previous question shall be in the following form : "Shall the main question be now put?" If demanded by a vote of a majority of the members present, its effect shall be to cut off all debate and bring the house to a direct vote, first upon the pending amendments, if there are any, in their order, and then on the main question, but the mover of the question, or the chairman of the committee having charge of the bill or resolution, shall have the right to close the debate, after the call of the previous question has been sustained, for not more than fifteen minutes.

21. The speaker shall appoint all committees unless otherwise directed by the house ; Provided, however, a majority of each committee shall constitute a quorum. And the following shall constitute the standing committees of the house, to be composed of thirteen members each :

1. Judiciary. 2. Revision of laws. 3. Ways and means.
4. Education. 5. Agriculture.

The following, composed of eleven members each :

6. Commerce and common carriers.
7. Privileges and elections.
8. Penitentiary and criminal administration.
9. Mining and manufacturing.
10. Appropriations.
11. Corporations.
12. Temperance.
13. Public health.
14. Counties and county boundaries.
15. Local legislation.
16. Public roads and highways.
17. Federal relations.
18. Public buildings and institutions.
19. Immigration.

The following, composed of nine members each :

20. Military.
21. Accounts and claims.
22. Fees and salaries.
23. Public printing.

The following, composed of seven members each :

24. Engrossed bills.
25. Enrolled bills.
26. Rules, composed of five members, with the speaker as chairman.

22. In the appointment of a committee to visit any public institution of the State, no representative who is a resident of an adjoining county, shall be appointed on such committee.

23. Every member may be required to vote on any question before the house. When the ayes and noes are desired, the speaker shall be first called, and if the house be equally divided, the question shall be lost.

24. No member shall absent himself from the session of the house, unless he have leave, be sick, or unable to attend.

25. The following shall be the order of business in the house :

1. Reading of the journal of preceding day.
2. Reports of committees on engrossed and enrolled bills, but these committees may report at any time.
3. Senate messages ; provided that whenever any message is received, notifying the house of the passage of senate bills,

the clerk shall, immediately after the passage is read, proceed to read the bills by their titles, (unless the reading be called for by some member, in which event the bill shall be read at length), and referred forthwith to a committee. The house shall then proceed with the business upon which it was engaged when the message was received.

4. The unfinished business in which the house was engaged at its last adjournment.

5. The call of counties in alphabetical order for bills, resolutions, memorials and petitions. If in any one day the call has not been completed by the hour of 12 m., the speaker shall begin on the next day, where he left off the preceding day.

When the hour of 12 m. arrives, or before that hour, if the call of the counties has been completed, business shall proceed in the following order :

1. Reports of standing committees, for bills which they have reported favorably, which shall forthwith be read by their titles a second time and entered on the calendar in the order in which they were read a second time. In the call of committees the speaker shall call them in their order. If the speaker should not get through, the call of committees before the house passes to other business, he shall resume next call where he left off.

2. Executive messages shall have priority over other business, and as soon as received they shall be read by the Clerk, and a proper disposition be made of them ; and the house shall thereupon proceed with the business engaged in when interrupted by the executive message.

3. If there are any bills on the calendar they shall be taken up at 1 p. m. on each day, unless reached earlier ; and no bill on the calendar shall be taken up out of its order, except by a vote of two-thirds of its members.

4. Miscellaneous business.

26. The House may, by a vote of two-thirds of the members present, suspend the consideration of any regular or special order, for the purpose of taking up another matter, and when that is disposed of, the consideration of the suspended order shall be resumed.

27. Any matter may, by a vote of the majority of the members present, be made the special order for any hour, which shall take the precedence, at that hour, of any other business except a motion to reconsider.

28. When a committee has decided adversely to any bill or resolution, such action shall not be reported to the

House, but such bills shall forthwith be returned to the clerk, who shall note the unfavorable report on the docket or register of bills. Any member may call for any such bill under adverse report when the same may, by leave of the House, be read by its title a second time, and placed on the calendar. Such call shall only be in order on any day, immediately after the call of the standing committee, which acted on said bill.

29. Upon the introduction of any bill, or when Senate bills are first acted on, the same shall be read by its title, unless the reading be called for by some member, when it shall be read at length, and upon such reading at length, or by its title, the bill so read shall be referred to a committee without a vote being taken, unless objected to, and in that event the question of reference shall be put to the House; and no bill shall be ordered to a second reading till reported back from a committee.

30. Bills, motions and reports may be committed or re-committed at the pleasure of the House.

31. Every bill shall, on its first reading, be committed to a standing committee, a select committee, or committee of the whole house; but committent to one shall not preclude the committent to either of the others, and on re-commitment shall be open to amendment.

32. No special committee shall report but upon leave granted by a vote of the house, except committees of inquiry, which may report at any time.

33. All bills shall be dispatched in order as they are introduced, unless when the house otherwise direct.

34. When a bill shall pass it shall be certified by the clerk, noting the date of its passage at the foot thereof.

35. The house may resolve itself into a committee of the whole when deemed necessary; and the rules of proceeding in the house shall be observed in committees, as far as may be applicable, except that number of times of speaking and putting the previous question, shall not be applicable in committee.

36. In forming a committee of the whole house, the speaker shall leave his chair, and a chairman to preside in committee shall be appointed by the speaker.

37. Upon a bill being committed to a committee of the whole house, the same shall be first read throughout by the clerk, and then again be read and debated by clauses, leaving the preamble to be the last considered. After the

report the bill shall again be subjected to debate and amendment by clauses, before the question for engrossing be taken.

38. On all questions of filling blanks, the largest sum and most remote day shall first be put.

39. Whenever it shall be necessary for a communication to be made from the house of representatives to the senate, it shall be under the signature of the clerk.

40. No committee shall sit during the sitting of the house without special leave.

41. No bill or joint resolution shall be received, unless written on an entire sheet of paper, with the caption endorsed.

42. After a vote has been ordered upon any question, no member shall be permitted to explain his vote without leave of the house.

43. When house bills are signed by the speaker, thereupon the clerk must, by message, notify the senate and request the signature of the president of the senate to said bills.

44. The name of the member who introduces a bill or joint resolution shall be by him endorsed upon the same, and shall be inscribed by the clerk upon the engrossed and enrolled copies when transmitted to the senate or the governor.

45. In appointing a committee from the several subdivisions of the state, the speaker shall designate who shall be chairman of such committee.

46. No person shall be allowed to smoke within the house lobby or gallery.

47. All bills for amendment to any section or part of the Code, in which the subject matter is stated in the title by reference to the section or other sub-division of the Code, must contain on the back of the bill, immediately below the title, a brief statement of the general subject to which such section or sub-division relates.

48. The speaker shall, whenever he deems it necessary for the speedy dispatch of business, order the calendar printed for the use of members.

49. When the chairman of a committee is sick or absent, the member whose name appears second on the committee shall, during the absence of the chairman become chairman, and have power to call together the committee for consideration of bills.

50. None of the foregoing rules shall be rescinded, with-

out one day's notice of the motion thereof being given; and a violation of either of them may be punished by such censure as a majority of the house may direct.

51. The tabling of any amendment or subsidiary motion, shall not have the effect of carrying with it the original bill or proposition.

Your committee has made but few changes in the rules of the house—one of which is to create a committee on public health, to be composed of eleven members. Your committee thought that the recent epidemic within our borders, and the possible changes to be made in our quarantine laws, rendered necessary the raising of a committee whose duty it shall be to give its entire attention to our laws relating to the general health laws of this State.

Your committee has raised the numbers of members upon the following committees from eleven to thirteen:

Judiciary; revision of laws; ways and means; education; agriculture, and has increased immigration committees from 9 to 11.

All of which is respectfully submitted.

C. C. SHORTER,
Chairman.

Mr. Webb offered a resolution that when the house adjourn on November 16th, it stand adjourned until 10 o'clock, a. m., November 19th, which, after discussion, was withdrawn.

On motion of Mr. White, of Dallas, the house adjourned till 10 o'clock to-morrow morning.

JOINT RULES OF THE TWO HOUSES OF THE GENERAL ASSEMBLY
OF ALABAMA.

1. Upon the reception of a message from either house notifying the other of the originating and passing of bills, the secretary or clerk, as the case may be, shall, immediately after the message is read, proceed to read the bills by their titles unless the reading be called for by some member, in which event the bill shall be read at length, and it shall be ordered forthwith to a second reading, or referred to a committee. The house or senate, as the case may be, shall then proceed with the business upon which it was engaged when the message was received.

2. When house or senate bills are signed by the speaker or president of the senate, thereupon the clerk or secretary, as the case may be, shall notify the other house, and request the signature of the presiding officer to the same ; and as soon as the message is read, the presiding officer shall immediately sign the bills in the presence of the house or senate, as prescribed by the constitution.

3. That no local or special bill shall be introduced into either house unless the member who introduces it discloses at the time the fact that the notice required by the constitution and laws has been given, and submits the proof thereof with the bill.

4. Bills affecting individuals or private corporations are local or special bills within the meaning of the preceding rule 3, but said rule does not apply to bills relating to public or educational institutions of, or in this State, or to industrial, mining, immigration, or manufacturing corporations, or interests, or to corporations for constructing canals, or improving navigable rivers and harbors of this State; nor to bills which apply to all persons within the territorial limits to be affected thereby, and general in their application to the class or locality.

5. All bills for amendment to any section or part of the Code, in which the subject matter is stated in the title by reference to the section or other sub-division of the Code, must contain on the back of the bill, immediately below the title, a brief statement of the general subject to which such section or sub-division relates.

Mr. Meador, from the joint committee to invite clergy of the city to open morning sessions with prayer, made a report, and the committee was discharged.

On motion the house took an informal recess of fifteen minutes to allow the door keeper to provide seats for the senate.

On motion of Mr. Pettus, the clerk was instructed to invite the senate to meet with the house in joint convention to witness the opening, counting and proclaiming of the vote cast for the executive officers of the State, on Monday, August 6th, 1888.

STATE OF ALABAMA, EXECUTIVE DEPARTMENT,
OFFICE OF THE GOVERNOR,
MONTGOMERY, November 16, 1888.

Mr. Speaker:

I am directed by his excellency, the governor, to communicate to the house a message in writing.

Respectfully,

J. K. JACKSON,
Private Sec'y.

Mr. Speaker:

I deliver to you, by the hands of the private secretary,

unopened, the certificates of the board of supervisors of election, as to the election for governor, secretary of State, auditor, treasurer, superintendent of education and attorney general, which have been received at this office.

Respectfully,

THOS. SEAY.

JOINT CONVENTION.

The hour of 11 o'clock, a. m., having arrived, the general assembly of Alabama assembled in the hall of the house of representatives to witness the opening, counting and proclaiming of the votes cast for executive officers of the State on the first Monday in August, 1888.

The joint convention was called to order by the Hon. A. C. Hargrove, president of the senate, who directed the secretary of the senate to call the roll, when the following senators answered to their names:

Mr. President, Almon, Branch, Brewer, Browne, Bulger, Burnett, Clanton, Compton, Cowan, Godfrey, Graham, Grant, Handley, Haralson, Harris, Hayes, Huey, Lang, Milner, Parker, Parks, Rumph, Skeggs, Smith, Stallworth, Steagall, Tayloe, Waddell, Williams—31.

The speaker of the house then directed the clerk of the house to call the roll of the House, when the following representatives answered to their names:

Messrs. Speaker, Adams, Allen, Anderson, Arrington, Barnett, Benners, Bevis, Bogart, Bordeaux, Bush, Blevins, Bradley, Brown, Carter, Clark, Clements, Cochrane, Cornelius, Cunningham, Curtis, Darby, Dark, Davie, Denison, Dupree, Dykes, Files, Fitzpatrick, George, Hampton, Hardy, Henderson, Higgins, Hogue, Hundley, Johnson, Kemp, King, Knight, Kyle, Lay, Ledyard, Lee, Lewis, Long, Longshore, Lowe, Maddox, Mancill, Maley, Meador, Miller, Moseley, McElderry, McElvey, McLendon, McLeod, McRee, Nelson, NeSmith, Nisbet, Paine, Parker, Patton, Pettus, Pitts, Porter, Posey, Powell, Pratt, Rabb, Rattray, Richardson, Russell, Simmons, Sowell, Summers, Smisson, Smith, Stansel, Stone, Stowers, Wade, Walker, Ward, Watson, Weaver, Webb, Wiley, Williams, Winston, Woolf, White of Dallas, White of Geneva—95.

The president of the senate announced that there was a quorum of the two houses present, and the purpose of the joint convention was to open, count and proclaim the result

of the election held on the first Monday in August, 1888, for executive officers of the State.

The speaker of the house then proceeded to open and publish, in the presence of both houses of the general assembly, in joint convention, the returns of the election held on the first Monday in August, 1888, for executive officers of the State of Alabama, as follows:

MESSAGE FROM THE SENATE.

Mr. Speaker—

The senate has adopted the joint resolution herewith sent in relation to the proceeds from the sale of certain lands.

W. L. CLAY,
Secretary.

On motion of Mr. Clements, the senate joint resolution in reference to the proceeds of the sale of certain lands was concurred in.

Mr. Clements, from the joint committee, made the following report, which, on his motion, was ordered to lay on the table:

Resolved by the house of representatives (the senate concurring), That his excellency, the governor, be and he is hereby requested to communicate to the two houses of the general assembly what proceedings have been instituted under an

act approved February 28, 1887, to authorize the governor to prosecute and secure to the State the benefits resulting from all claims of the State of Alabama, for and on account of the *five per cent.* of the proceeds of sales of public lands by the general government, provided for under act of 1819, admitting said State into the Union; also, whether any agent has been employed under the provisions of said act of February 28, 1887, and if so, upon what terms, and what has been accomplished under said agency; also the amount of said five per cent. collected by the State of Alabama since the last payment, as appears from the comptroller's report of October 31, 1860, and the amount now due the State of Alabama on account of said claims, and whether any additional legislation is needed to secure and collect the amount now due the State on account of said five per cent. of the proceeds of sales of public lands within this State.

MESSAGE FROM THE GOVERNOR.

EXECUTIVE OFFICE,

November 19, 1888.

Mr. Speaker:

I am directed by the governor, to communicate to the house a message in writing, with accompanying documents.

Very respectfully,

THOS. H. CLARK,

Recording Secretary.

MONTGOMERY, 19 November, 1888.

Gentlemen of the Senate and of the House of Representatives :

I herewith communicate to you in manuscript, the report of the trustees of the Agricultural and Mechanical College of Alabama, for the years 1886-7 and 1887-8.

THOS. SEAY.

MONTGOMERY, 19 November, 1888.

Mr. Speaker :

I am directed by his excellency, the governor, to communicate to the house a message in writing, with accompanying documents.

Very respectfully,

THOS. H. CLARK,

Recording Secretary.

STATE OF ALABAMA, EXECUTIVE DEPARTMENT,

OFFICE OF THE GOVERNOR,

MONTGOMERY, November 19, '88.

Gentlemen of the Senate and of the House of Representatives :

In accordance with section 12 of article 5 of the constitution of this State, I herewith send you a list of all cases of reprieves, commutations and pardons granted since

the 1st day December, 1886, together with my reasons therefor.

This list does not include those convicts from whose sentence a deduction has been made from term of punishment by the governor, on report by the inspectors, of good conduct, as provided by section 4533 of the Code. A statement of these may be found on file in the office of the secretary of State, and of course the reason for the deduction in each case is the alleged good conduct of the convict.

Respectfully,

THOS. SEAY.

MESSAGES FROM THE GOVERNOR.

MESSAGE FROM THE SENATE.

Mr. Speaker:

The senate has originated and passed the following bill :

s. 20. To amend an act entitled an act to prescribe the term of office of members of the court of county commissioners of Morgan, Cherokee, St. Clair and Cleburne counties, and to fix their compensation, approved February 26, 1887, so far as the same relates to the counties of Morgan, Cherokee and St. Clair.

W. L. CLAY,
Secretary.

SENATE MESSAGE.

The senate bill 20, above mentioned, just received, whose title is set forth, was read first time, referred to the committee on local legislation.

REPORTS OF STANDING COMMITTEES.

Mr. Pettus, from the judiciary committee, reported favorably, by way of substitute, with a minority report to

H. B. 13. To provide for funding and paying the legal debts of the city of Selma, created prior to December 6, 1875.

The substitute was adopted.

On motion of Mr. Benners, the vote by which the substitute was adopted was reconsidered.

Mr. Ledyard moved that the majority and minority reports, the substitute and the bill, be placed on the calendar.

Mr. Clements rose to a point of order that Mr. Ledyard's motion was out of order. The point of order was sustained.

Mr. Rabb moved that the minority report be substituted for the majority report.

Mr. Hundley offered the following, as a substitute for Mr. Rabb's motion :

"That the minority report be received, together with the majority report, and both to be considered together, when the bill comes up for final passage."

Adopted.

Also, with amendment—

H. B. 71. To amend section 2719 of the Code of Alabama, so that if the suit is by a mortgagee, or by his assignee, against the mortgagor, or one holding under him, if the mortgage debt is ascertained to be less than the value of the property sued for, then the judgment must be for the property or the amount of the mortgage debt.

Also, with amendment—

H. B. 55. To provide for the sale of property of minors in order to remove the proceeds thereof from the State.

Also,

H. B. 117. To amend an act entitled an act to amend section 499 of the Code of Alabama, approved February 18, 1887.

Also, with amendment.

H. B. 158. To amend section 2721 of the Code of Alabama.

AN AMENDMENT.

JOINT RESOLUTION.

Mr. Denson offered the following joint resolution, which was adopted:

Whereas, The act approved February 21, 1887, which provides for the publication of the Code of Alabama, prescribes that the Civil Code shall contain sections one to thirty seven hundred and fourteen, both inclusive, and that the second volume shall contain the Criminal Code from section four thousand to section five thousand one hundred and ninety-nine, both included; and

Whereas, the Civil Code, as published, ends with section 3693, and the (second volume) the Criminal Code as prescribed, begins with section 3699 instead 4000, and ends with section 4899; and

Whereas, It appears that there are contained in the Criminal Code about 300 sections for the publication of which, in said volume, the act above mentioned did not provide; therefore,

Resolved by the House, (the senate concurring,) That a joint committee, to be composed of three on the part of the house and two from the senate, be appointed, whose duty it shall be to investigate the matter herein referred to and ascertain if any legislation is necessary on the subject, said committee to report by bill or otherwise, at as early a day as practicable.

The committee on the part of the house are Messrs. Denson, Porter, and Mancill.

Mr. Stansel offered the following resolution:

Whereas, The Hon. James M. Bullock, a member elect to this house from the county of Greene, has passed away from the walks of men; be it therefore

Resolved, 1st. That in the death of the Hon. J. M. Bul-

lock the State of Alabama has sustained the loss of an excellent citizen, this house of a valuable member and wise counsellor, and the county of Greene one of her best and most honored sons.

2. *Resolved*, That we deplore this sad event, and as an evidence of respect for the memory of our deceased brother, that a day be set for action on these resolutions in accordance with the time-honored custom of the general assembly of Alabama on such occasions.

On motion of Mr. Patton, the consideration of the above resolution was made the special order for Saturday, the 24th instant, at 1 o'clock p. m.

ELECTION OF UNITED STATES SENATOR.

This being the second Tuesday after the meeting and organization of the legislature of the State of Alabama, at 12 m. o'clock on this day, the house of representatives of the State of Alabama went into an election for the purpose of naming one person for senator in congress from the State of Alabama.

The speaker of the house of representatives of the State of Alabama announced that in accordance with the previous order of this house, the hour for this house to name one person for senator in congress from the State of Alabama had arrived, and declared that nominations were in order.

Mr. Hundley, of Madison, placed in nomination the name of John T. Morgan, a resident citizen of Dallas county, in the State of Alabama.

No other names being placed in nomination, the speaker of the house ordered the clerk of the house to call the roll of the house.

Thereupon the roll of the house was called, and the following members of the house voted *viva voce* for John T. Morgan for senator in the congress of the United States to succeed John T. Morgan, for a term beginning on the 4th day of March, A. D., 1889.

Messrs. Speaker, Adams, Allen, Anderson, Arrington, Barnett, Benners, Bevis, Bogart, Beurdeaux, Bush, Blevins, Bradley, Brown, Carter, Clark, Clements, Cochrane, Cornelius, Cunningham, Darby, Dark, Davie, Denson, Dupree, Fitzpatrick, George, Hampton, Hardy, Henderson, Hogue, Hundley, Johnson, Kemp, King, Knight, Kyle, Lay, Ledyard, Lee, Lewis, Longshore, Lowe, Maddox, Mancill, Maley, Meador, Miller, Moseley, McElderry, McLendon, McLeod, McRee, Nelson, NeSmith, Nisbet, Paine, Parker, Patton, Pettus, Pitts, Porter, Posey, Powell, Pratt, Rabb, Rattray, Russell, Simmons, Sowell, Smisson, Smith, Stansel, Stone, Stowers, Tatum, Wade, Walker, Ward, Watson, Watters, Weaver, Webb, Williams, Woolf, White of Dallas, White of Geneva;

In all, eighty-seven, and being all the votes cast by the house of representatives, and being a majority of the whole number of votes cast in this house, and being a majority of the entire membership of this house, and thereupon the speaker of this house declared that John T. Morgan had received a majority of all the votes cast in this house, cast *viva voce* in open session, and was duly named by the house

of representatives of the State of Alabama as the choice of this house for senator in the congress of the United States for the term beginning on the 4th day of March, A. D. 1889, and ordered the clerk of the house to enter the proceedings of this house and the name of John T. Morgan on the journal of this house, which is accordingly done.

RESOLUTIONS.

By unanimous consent, resolutions were offered as follows:

Resolved by the House (the Senate concurring), That the two houses of the general assembly shall meet in the hall of the house at 12 o'clock m., for the purpose of witnessing

the administering the oath of office to Thomas Seay, governor elect of Alabama.

Resolved further, That a committee of two from the house and one from the Senate be appointed to wait on Thomas Seay, and inform him of this action of the two houses.

Resolved further, That a committee of two from the house and one from the senate be appointed to wait on the chief justice of the supreme court of Alabama and request his presence for the purpose of administering the oath.

Adopted.

By Mr. Johnson—

Resolved, That all prohibition bills, of a local character, on the calendar, be referred to a special committee of three, of whom the chairman of the committee on temperance shall be chairman, with instructions to condense all the said bills into one, which shall be reported to the house as a substitute for all local prohibition bills on the calendar, which substitute shall be put on its passage as soon as the first local prohibition bill is reached on the calendar.

Adopted.

Mr. Pitts submitted the following report in the contested election case of Jack v. Richardson; accompanied with a minority report:

REPORT OF COMMITTEE.

Mr. Speaker:

The committee on privileges and elections, to whom was committed the case wherein W. P. Jack is contestant and Ed. R. Richardson is contestee for the seat in this body, as representative for Franklin county, respectfully report that they have carefully considered the law and evidence, and after due consideration, further report, that under the law and evidence, the contestee, Ed. R. Richardson, was not an inhabitant of Franklin county twelve months next preceding the 6th day of August, A. D., 1888, and was therefore ineligible, and is not entitled to a seat in this body, as a representative of Franklin county, and recommend the passage of the following resolution:

Be it resolved, That Ed. R. Richardson is not entitled to a seat in this house.

A. D. PITTS,
Chairman of Committee.

MINORITY REPORT.

We, the undersigned members of the committee on privileges and elections, respectfully dissent from the report of said committee, recommending the unseating of the sitting member, Ed. R. Richardson ; because, in our opinion, the burden of proof is upon the contestant, Col. Jack, to show satisfactorily by at least a preponderance of the testimony that said Richardson was not an inhabitant of Franklin county for twelve months next preceding the August election, 1888, to-wit, the 6th day of August, 1888. The evidence being merely in equilibrium, the burden of proof, in its legal signification, has not been shifted upon the sitting member so as to devolve upon him the necessity of rebutting by evidence the allegations and charges contained in the grounds of contest. We are constrained to believe that these allegations and averments have not been sufficiently proven to justify us in voting to turn Mr. Richardson out of the house, however reluctant we may be to dissent from the action of the majority of this committee.

A. A. WILEY,
CHAS. RATTRAY.

On motion of Mr. Pitts, the consideration of the report was made a special order for Tuesday next, immediately after reading the journal.

Mr. Pettus offered a memorial which was referred to the special joint committee on the convict system of the State.

Also, the resolution,

Resolved, That the rules of this house shall not be suspended except by the unanimous consent of every member present.

Resolved further, That on and after Monday, December 3, 1888, this house shall meet at 10 a. m., and adjourn at 1:30 p. m; shall reassemble at 3 p. m., and adjourn at 6 p. m.

Which were referred to the committee on rules.

The speaker appointed, under Mr. Pettus' resolution, Messrs. Pettus and Brown, to wait on Chief Justice Stone, and Messrs. Benners and Moseley to wait on Hon. Thomas Seay.

SPECIAL ORDER.

The special order of the house being the consideration of H. B. 226. To provide for the election of county superintendents of education in this State.

Was taken up.

The amendment offered by the committee, "to exempt from the operations of the bill the following counties: Barbour, Cleburne, Choctaw, Dallas, Greene, Hale, Mobile, Perry, Sumter, Washington, Wilcox, Talladega, Chambers, Madison, Jefferson, Randolph, Pickens and Crenshaw, was adopted.

After discussion, Mr. Adams called the previous question.

The call was sustained.

The main question was ordered to be put.

The bill was read a third time at length, and passed—yeas 69, nays 7.

Yeas—Messrs. Speaker, Adams, Allen, Anderson, Barnett, Benners, Bevis, Bogart, Bourdeaux, Bush, Blevins, Bradley, Brown, Carter, Clark, Clements, Cochrane, Curtis, Darby, Dark, Denson, Dupree, Dykes, Fitzpatrick, French, Hampton, Henderson, Higgins, Johnson, Kemp, Knight, Kyle, Ledyard, Long, Lowe, Maddox, Mancill, Maley, Meador, McElvey, McLendon, McLeod, McRee, Nelson, NeSmith, Nisbet, Paine, Parker, Patton, Porter, Posey, Rattray, Richardson, Simmons, Sowell, Summers, Smith, Stansel, Stone, Tatum, Walker, Ward, Watson, Weaver, Webb, Williams, Winston, Woolf, White of Geneva—69.

Nays—Messrs. George, Hardy, Miller, Moseley, Pettus, Pitts, Smisson—7.

On motion of Mr. Nelson, the bill just passed was sent to the senate without engrossment.

PROTEST.

Mr. Speaker :

I desire to enter my solemn protest against the passage of the bill,

H. B. 226. To provide for the election of county superintendents of education in this State.

My reason is in brief, that it will have the effect of turning the entire school system of this State into a mere political machine, and will tend very greatly to retard the cause of education in this State.

F. L. PETTUS.

ENGROSSED BILLS.

Mr. Speaker :

The committee on engrossed bills report the following correctly engrossed, to-wit: Nos. 159, 126, 135, 52.

JOHN V. SMITH,
Chairman.

ENROLLED BILLS.

Mr. Speaker :

THOS. H. CLARK,
Recording Secretary.

INTRODUCTION OF BILL.

By leave,

Mr. Pettus introduced, with notice and proof—

H. B. 495. To amend and ratify the charter of the Selma Land Improvement and Furnace Company;

Which was read one time and referred to the judiciary committee.

By unanimous consent, Mr. Pitts moved that H. B. 45 be made the special order for to-morrow morning immediately after reading the journal.

Carried.

By unanimous consent, Mr. Wiley moved that the consideration of the report of the committee on privileges and elections, in the contested election case of Jack v. Richardson, be made the special order after the disposal of H. B. 232.

Carried.

SPECIAL ORDER.

Consideration of H. B. 232, the general appropriation bill, Was resumed.

The pending question being the adoption of Mr. McLeod's amendment to section 38,

Mr. McLeod moved that a committee of two from each of the committees on ways and means, appropriations, and education be appointed; that said committee shall investigate the financial condition of State treasury as to its ability to make appropriations for public schools; said committee to report to-morrow morning immediately after the reading of the journal; and that consideration of section 38 be postponed till the report of said committee;

Which, on motion of Mr. Adams,
Was laid on the table.

Mr. McLeod's amendment was adopted;

Yeas 51, nays 43.

Yeas—Messrs. AFTERNOON SESSION.

The house met pursuant to adjournment.
A quorum was present.

EXPLANATION OF VOTE.

Mr. Speaker :

I desire to have my reason spread on the journal for voting "aye" on Mr. McLeod's amendment to section 38 of H. B. 232. I voted "aye" in order to move a reconsideration of the vote by which the amendment was adopted. I am opposed to the appropriation of \$100,000.00 additional, because, in my opinion, the treasury of the State is not in a condition to stand this appropriation.

DAN'L H. LAY.

ENGROSSED BILLS.

Mr. Speaker:

The committee on engrossed bills report the following correctly engrossed, to-wit: Nos. 163, 153, 340, 459, 171, 271, 543, 277 and 438.

JOHN V. SMITH,
Chairman.

EXPLANATION OF VOTE.

Mr. Hundley obtained leave of the house to have the following spread upon the journal:

Mr. Speaker:

I desire to explain my action and vote upon senate bill

No. 126, "a bill to be entitled an act to establish a new charter for the city of Huntsville," and ask that the same may be spread upon the journal. I am opposed to that provision in the bill which requires the mayor to be elected by the board of aldermen, for the following reasons:

1st. I think that to deny the people the right of self-government by expressing themselves at the ballot-box by a direct vote, is subversive of the highest rights of a free people.

2nd. I believe the people of Huntsville are fully capable of governing themselves, and to require the mayor to be elected by the aldermen, is taking this privilege out of the hands of the people, and placing it in the hands of a few.

3d. I believe this provision in the bill is contrary to the wishes of a very large majority of the people I have the honor to represent, and I can see no just cause why their wishes should be ignored, at least until they have had an opportunity of being heard upon the subject.

Holding these views, I offered the amendment to the bill, providing that the mayor should be elected by the vote of the people at the ballot-box, and earnestly urged its adoption. This amendment being defeated by the house, when the bill came up for final passage I voted "aye," as I know that the city of Huntsville is in need of a new charter, and my vote in the negative might be construed as placing me in opposition to the whole charter.

OSCAR R. HUNDLEY.

MESSAGE FROM THE SENATE.

Mr. Speaker:

The president of the senate having signed the following bills, your signature thereto is requested:

s. 68. An act to provide for payment into court of money tendered for redemption of real estate on trial for unlawful detainer suits.

JOHN V. SMITH,
Chairman.

MESSAGE FROM THE GOVERNOR.

CHIEF EXECUTIVE OFFICE,
MONTGOMERY, ALABAMA,
January 29th, 1889.

Gentlemen of the Senate and House of Representatives :

I herewith transmit to you the report of Mr. John H. Caldwell, who has been acting as the agent of the State in the enforcement of the claims of the State of Alabama, against the United States, for what is known as the five per cent. fund, or the two and three per cent. fund of the net proceeds of lands lying within the State and sold by act of congress.

Sub-division three, of section six, of the act for the admission of Alabama, passed March 2nd, 1819, reads as follows :

“Third. That five per cent. of the net proceeds of the lands lying within the said territory, and which shall be sold by congress, from and after the first day of September, in the year one thousand eight hundred and nineteen, after deducting all expenses incident to the same, shall be reserved for making public roads, canals, and improving the navigation of rivers, of which three fifths shall be applied to those objects within the said State under the direction of the legislature thereof, and two-fifths to the making of a road or roads leading to the said State, under the direction of congress.”

At the time I came into office this claim of the State was being resisted by the United States Government on this distinct ground, that the State of Alabama was indebted to the United States in the sum of five hundred and twenty-nine thousand three hundred and thirteen and 33-100 dollars, on account of the direct tax which in the year 1861 had been apportioned by the government of the United States to the several States as a war tax. This was the amount which had been apportioned to Alabama, and which, as was well known, had never been actually paid by the State, and the authorities at

Washington held this amount of \$529,318.33 to be a set-off against the fund which had accumulated and was accumulating under the act of admission.

By virtue of the act of the legislature, approved February 28th, 1887, I made a contract with Mr. John H. Caldwell, who had been previously acting as agent under contract with my predecessors, Governors Cobb and O'Neal, for the further prosecution of this claim.

The State, through its agent and by counsel, instituted proceedings against the United States, and these proceedings were prosecuted with varying fortunes until finally an adjudication was held by the Supreme Court of the United States favorable to the claim of the State. This decision was rendered on the 24th day of October, 1887, and since that time there has been covered into the State treasury, on account of this fund, the sum of \$33,119.90. The contract with the agents of the State was directed by an act of the legislature, to be made contingent on the success of the proceedings, and following the terms established by my predecessors, and approved by my judgment, was fixed at twenty-five per cent. of the amount realized—the agent paying all the expenses of the litigation. There will be covered into the State treasury in a few days an additional sum representing the net proceeds of the five per cent. fund for the sale of public lands for the year ending June 30th, 1888.

The result of this contract has been the realization of three-fourths of the accumulated fund and the removal of a formidable set-off of over a half a million of dollars claimed by the United States government. Hereafter the accruing proceeds under the act of admission will be covered into the State treasury without any expenses whatever, and there is no further legislation necessary for the purpose of continuing the benefits to which the State is entitled under the act of admission.

The report of the agent, Mr. Caldwell, covers these transactions, and also the prosecution of the claim of the State for the swamp and overflowed lands, and gives valuable information as to the claim of the State for indemnity for school lands in the place of the 16th section lost by reason of private claims, pre-emption, Indian claims, or where the 16th section is wanting by reason of State boundaries, rivers, etc., and these latter matters I expect to make the subject of a special message to you before your final adjournment.

INSANITY.

I think that there should be some legislation at this ses-

sion which will give better security to the community against the crimes of the insane or the alleged insane. Whenever it is recalled that the principal object of human punishment is the preservation and advancement of society, it is easy to become reconciled to the confinement of those insane people who have at any time in their lives shown that their going at large is a menace to society.

Lofty speculations concerning the diseases of the mind are entertaining and instructive, and are truly calculated to ameliorate the condition of the afflicted, but the immediate protection of the innocent and the preservation of the social order are weightier considerations. I should be satisfied to return in criminal administration to the ancient inquiry as to whether the person charged with crime knew right from wrong; but if this rule shall appear to be harsh, I earnestly recommend the passage of a law which shall more effectually secure the courts and country against imposition by false and desperate pleas of insanity.

APPEALS IN CRIMINAL CASES.

I have long thought that the delays incident to criminal administration are unworthy of our civilization. The court below on the trial of any considerable case presents usually a spirited and brilliant trial of legal hermeneutics between the counsel for the State and the learned counsel for the criminal. On each and every pertinent issue presented by the counsel, the circuit judge must, then and there, without an opportunity to investigate, decide, and all the questions whether merely technical or meritorious may become and do generally become a part of the record for the review of the appellate court. Necessarily in our system there must continue to be very many reversals of causes in cases where the merits of the issue are not even in a remote degree effected by the particular point on which the case was reversed. It is alleged that a great lawyer once used this language :

“An advocate, in the discharge of his duty, knows but one person in all the world, and that person is his client. To save that client by all means and expedients, and at all hazards and costs to other persons, and among them, to himself, is his first and only duty, and in performing this duty he must not regard the alarm, the torments, the destruction, which he may bring upon others. Separating the du-

ty of a patriot from that of an advocate, he must go on, reckless of consequences, though it should be his unhappy fate to involve his country in confusion."

And while this disgraceful doctrine has never been accepted by an honorable profession, yet it is well known that the zeal of counsel is usually very great. All the meritorious points are reasonably certain to be made in behalf of the defendant by his counsel, and yet section 4509 of the Code affirms that no assignment of error or joinder in error is necessary, and requires the Supreme Court in effect to search the record for a reversible error. I recommend the repeal of this section of the Code.

Further, I do not think that the Supreme Court should be required to reverse a judgment in any case unless a majority of the judges should be of the opinion that the defendant is, on the evidence presented in the record, entitled on the merits to a new trial. I know that such a law would crowd the record with substantially all the testimony taken in the trial in the court below, and to this extent would increase the labor of our already overworked appellate court, but the evil which such legislation would remedy is so great that I think this additional labor might reasonably be required; indeed, in the long run, in the suppression of unmeritorious appeals, it might be found to lessen the work of reviewing the criminal cases.

THOS. SEAY.

ENROLLED BILLS.

Mr. Speaker:

The committee on enrolled bills report the following bills as correctly enrolled:

H. B. 26. An act to authorize the mayor and aldermen of Birmingham to issue bonds of said city for an amount not exceeding five hundred thousand dollars, for the purpose of building and constructing sewers, and making other permanent improvements in said city, paying floating debts of city, and paying for cemetery grounds.

H. B. 28. An act to provide for increasing the capital stock of building and loan associations.

B. M. MILLER,
Chairman of Committee.

SIGNING OF BILLS.

The speaker of the house, in the presence of the house, immediately after their titles had been publicly read by the clerk, signed the bills whose titles are set forth in the above report of committee on enrolled bills.

Mr. Lowe, chairman, submitted to the house the report of the joint committee of the general assembly, appointed to examine into the convict system of Alabama, session of 1888-9, which report was ordered to lay upon the table and five hundred copies to be printed, and same number of copies printed of the testimony taken by said committee, for the use of the house and senate.

REPORT OF SPECIAL COMMITTEE.

Be it Resolved by the House, the Senate concurring, That a Joint Committee be raised to consist of three members of the House of Representatives, and two members of the Senate, to inquire into, and investigate the purposes, methods, and practical operation of the convict system, and to report by bill or otherwise, such changes, reforms, or modifications thereof, as the interest of the State may demand.

Be it further resolved, That said Committee may sit during the session of this Body; shall have the right to call for witnesses, and papers, and compel the appearance, and production of the same.

Be it further resolved, That said Committee may employ a clerk if necessary: provided the said Committee shall report on or before the 15th day of December, 1888.

Resolved by the Senate, the House concurring, That the Joint Committee heretofore appointed, to investigate the convict system and the practice under it, be and is hereby authorized to sit during the recess of the General Assembly, and that said committee be and is hereby instructed to enquire particularly into the matter, and manner of the classification of the convicts.

Resolved by the House, the Senate concurring, That the joint committee to investigate the convict system be, and they are hereby instructed to investigate the Penitentiary, examine into its condition and surrounding property belonging to the State Penitentiary—examine as to the number of convicts within the walls, their condition, what therein confined for, by what authority they are within the walls. How many of them are able-bodied; how many are not able to perform hard labor—what employment they are engaged in, if any, and how many are able to do hard labor, and report to this House, with such other information about the Penitentiary as they may deem of importance.

Resolved by the House, the Senate concurring, That the joint committee heretofore raised to investigate the convict system be, and are hereby instructed to investigate the hiring of county convicts, and to ascertain, and report whether or not there is, or has been any pool, combination, or arrangement of convict lessees for the purpose of controlling said labor, or affecting the price of the same, and whether or not any state, county, or municipal officer, has violated the law in respect to the hiring of convicts in any respect whatever.

Pursuant to the preceding resolutions, your committee met at the Exchange Hotel in Montgomery, on the 3rd day of December, 1888, and organized with Robert J. Lowe, as Chairman, and Benj. F. Elmore, Clerk.

On the 13th December your committee met at the capitol, and entered regularly upon the performance of its duties.

The committee were engaged for several days in the examination of the laws, and rules and regulations of the Inspectors of Convicts, relating to the penitentiary and the hiring and working of State and county convicts. They called for and obtained from the various State Departments such information as the records thereof contained in refer-

ence to the subjects of inquiry. They also prepared and issued a circular letter to the several probate judges in the State, calling for specific information on various matters within the scope of this investigation. Nearly all of the probate judges responded promptly to these letters, but several remain unanswered.

The committee also called and examined Col. R. H. Dawson, President of Board of Inspectors, relative to the State Penitentiary at Wetumpka. On Thursday morning, Dec. 20th, the committee met at the penitentiary. We inspected the prison and examined quite a number of witnesses. The general appearance of the penitentiary is that the property and grounds have received careful attention. Approaching from the front, the shrubbery and fresh paint present a favorable appearance, and the barns and stables suggest plenty and comfort.

We found confined within the walls 147 convicts—46 of whom are women—all negroes, except three. Of the men, there were—

men in employment about the premises. Of the other 80 men, 12 or 14 are crippled or disabled, and incapable for any work; and the rest were employed in cutting wood, or doing such other work as could be obtained for them, which was but little.

The appearance of most of the convicts confined here indicated that they were well fed and cared for; but they exhibited considerable depression of spirit, and upon being questioned, they usually answered that they were well treated, but preferred being upon a farm. We attribute this sentiment among them to lack of employment. Enforced idleness is the most unsatisfactory of all punishments, lacking all the essentials of reformation.

The cells at this place are deserving of all that Dr. Cunningham, then State Physician, said of them in his report of 1884; and we can not but conclude that it is far from hu-

mane to confine convicts therein, particularly those who are sent there from the mines as disabled or unfit for manual labor. Such convicts could be better cared for, and would be more comfortable at Pratt Mines. Such, in most cases, was the report of State Physician Cunningham in 1884, and from our inspection of Pratt Mines and the hospital there, it seems to us to be emphatically true at this time.

We find that when the Williams and Rouse contracts expired, Dec. 31, 1887, they delivered their convicts to the State at the penitentiary. Upon an inspection of these convicts by the State Physician, Dr. Jones, assisted by Dr. Cunningham, representing the Tenn. C. I. & Ry. Co., such convicts as in their judgment were fitted for work at the mines were sent there; the others were left at the walls. This number has been decreased by deaths and expiration of sentence, and increased by men sent from Pratt Mines, upon the certificate of the State Physician that they were not capable of manual labor. Dr. Jones, the State Physician, is of the opinion that under the contract with the Tenn. Coal, Iron & R. R. Co., when a convict at the mines becomes unfitted for manual labor of value to the Tenn. Coal, Iron & R. R. Co., he is to be removed to the penitentiary walls. This simply makes the walls at Wetumpka a hospital for Pratt Mines, conducted at the expense of the State.

If such a construction of the contract with the Tenn. Coal, Iron & R. R. Co. is correct, we are of the opinion that the contract is an unwise one, from a humane as well as financial standpoint.

But, in the opinion of your committee, this construction is clearly erroneous, and the error has been an extremely expensive one for the State.

Of the 101 men now confined at the walls, we estimate that about 56 men are capable of performing hard labor, fully 80 of the men are capable of doing farm work, and 43 of the women are capable of farm work.

Of these men Dr. Jones testifies that there were thirty or forty whom he thought should be removed to the mines, and while the committee was at the wall, he and Dr. Cunningham, he says were there for that purpose. Col. Dawson objected, on the ground that it might make an unfavorable impression on your committee. Up to this time these men are still at the walls, though it is more than a month since the committee left there. If Dr. Jones is correct in his estimate of the number (other testimony shows about 25

men), then the State has suffered a considerable pecuniary loss by his negligence in not removing these men.

From the testimony of Col. Thos. Williams, Mr. L. D. Rouse and J. W. Pace, it will be seen that the convicts at the walls, capable of farm work, excluding the mechanics and regular workmen before enumerated, can be hired at from \$3.00 to \$5.00 per month. Or that the walls can be cleared of all convicts, excluding the workmen enumerated above, at from \$1.25 to \$2.00 per month.

It is also in testimony by Col. John T. Milner, that for 80 of the men now at the mines he will pay \$12.00 per capita, per month.

Taking into consideration the present lease system, humanity, and the large expense at the walls, amounting to \$21,191.82 (see Inspector's report, 1888, page 266), we are of the opinion that these convict should not be kept at the walls.

We do not think it advisable for the State to purchase any more farms or land adjoining the penitentiary walls, or to work convicts upon shares.

We regret that in our examination at the walls we found the officers there ignorant of the laws and rules applicable to the management of convicts. Some of the convicts had been whipped for most trivial matters, and by persons unauthorized to punish, and no record kept. The punishment book was not kept as required by law, and the efforts to explain this were very unsatisfactory.

Two of the employees, W. J. Sessions, and P. C. Jenkins, your committee promptly reported to Col. Dawson, and he discharged them on 1st of January, 1889, so he reports to the committee.

On December 22nd, the committee adjourned to December 30th.

CLASSIFICATION.

On Sunday, December 30th, the committee met at Pratt Mines, to witness the monthly classification of State convicts hired by Tennessee Coal, Iron and Railroad company. Sunday is selected for this purpose by the Inspectors, as on that day the prisoners are all in the cells, and can be brought before the Inspectors without interfering with their work or the company.

The Tennessee Coal, Iron & Railroad Company hire both State and county convicts, but only the State prisoners are

classed. We were informed, however, that the company endeavors to task the county men as nearly as possible on the basis established for State men. In the classification of the men, the State is represented by the Inspectors—one or more of them being present—and the State physician; and the contractors are represented by the superintendent, the company physician and warden. The process is as follows: A name is called, and the present task ascertained from the records. If the convict or the company desire to decrease or increase the task, the Inspectors hear from the mine boss, warden and the physician, and then decide. If, however, no objection is made the task remains as before.

State convicts, under the present contract, are divided into five classes. Those working in mines are classed solely upon their ability to cut and load coal, whether or not they are actually engaged at that work. First class—Those able to cut and load four tons. Second class—three tons. Third class—two tons. Fourth class, or “dead heads”—one ton. Fifth class—those unable to work in mines, but capable of performing manual labor.

The classification of these men actually engaged in cutting coal can work no hardship to the State. The contractor can better afford to pay for a higher class man than for a lower class. For instance, the contractor pays \$18.50 for a first class man, who is required to get four tons per day, or 104 tons per month. For a second class man, who gets three tons per day, or 78 tons per month, he pays \$13.50. The cost of maintenance is the same. These mines pay to free labor 45 cents a ton. Thus the first class man earns \$16.80 per month, and the second class \$35.10, the difference in cost to the contractor is \$5.00, or the difference between \$18.50 and \$13.50. The contractors insist upon this proportion, and it is entirely true, with this important limitation, viz: That it is to their interest to class the men as low as is consistent with their desire to get out the full capacity of the mine. For instance—say the mine has a capacity of 800 tons per day, and there are 400 convicts to work therein; the contractor then desires the lowest classification that will produce the 800 tons. But in coal mining not over (3-5) three-fifths of the men employed are actually engaged in cutting and loading coal. The others are engaged on the surface as carpenters, blacksmiths, dumpers, &c., and in the mines as trammers, track-layers, door-keepers, drivers, &c.

In some of these places as much strength is required and more intelligence and skill than in cutting coal.

The convicts assigned to work, other than cutting coal, are not "tasked according to their class," but each is required to do the full work of the place to which he is assigned. The contractor gets the better of the State, when, as often happens, an inefficient coal cutter is classed and paid for on the basis of his ability to cut coal, but is put at work in or out of the mines in which he is proficient and at which his services are more valuable to the company than are those of a first class coal cutter. The work done by "dead-heads" about a mine is indispensable, and the testimony of the warden shows that this company have not as many "dead-heads" as they need. The contract perhaps allows this arrangement, but the Code (Criminal) section 4647, reads as follows: "But no convict shall be classed unless worked at an occupation at which the *task* can be apportioned to the class."

We append hereto a tabular statement of the classification for each month since the making of the present contract.

PRISONS.

On the 1st day of January, 1889, there were on hand 799 State convicts, 655 with the Tennessee Coal, Iron and Railroad Company at Pratt Mines, and 144 in the walls at Wetumpka.

There were also on hand about 829 county convicts as follows :

NUMBER OF COUNTY CONVICTS JANUARY 1, 1889.

Milner Coal and Railroad Company, New Castle, 151.

L. H. McCurdy & Bro., Lowndesboro, 37.

Irwin & Smith, Autauga, 5.

R. A. Hardie, Perry County, 25.

Sloss S. & I. Co., Coalburg, 293.

Tennessee C. & I. & R. R. Co., Pratt Mines, 177.

Milner, Caldwell & Flowers, Bolling (about) 30.

J. M. Lovelace, Jefferson (about) 40.

W. D. McCurdy, Lowndesboro, 4.

Hammock & Collins, Montgomery, 9.

J. W. Pace, Chambers (about) 9.

Thos. Williams, Elmore, 9—making a total of 789.

There are hired in counties of conviction to different individuals in such counties about 40—making in all about 829.

These figures were obtained from the records in the office of the Inspector of convicts, and of course, vary from day to day. Since this date Hammock & Collins have surrendered their contract, and the convicts held by them—nine in number, from Montgomery county—have been transferred to the Sloss Iron and Steel Company at Coalburg. The same is true of the Autauga county convicts. It was impossible for the committee to visit each camp. They did visit New Castle, Coalburg, and the two prisons at Pratt Mines.

There are certain rules and regulations that these places have in common. The men are required to rise in the morning about day-break. They then breakfast. Each man finds upon his plate his allowance for breakfast and dinner. What he leaves from breakfast he is allowed to take with him into the mines for dinner. The contractors are required to furnish each convict a tin bucket for this purpose. Some of the men have no buckets, and therefore have to go without dinner. We saw at some of the mines, men going in and coming out barefooted and insufficiently clad. Naturally the explanations of these things offered by the contractors and the convicts respectively rarely tallied, and were unsatisfactory to the committee. The same system of punishment—whipping with a leather strap—is observed at each place. The rules of the Inspectors require a complete record to be kept showing date of punishment, cause, and extent thereof. These records show that an immense amount of whipping is done, though much less at "Slope No. 2"—one of the prisons at Pratt Mines—than at any other prison. Nearly all the whipping is for failure to get task, or for getting slate or rock in the coal.

The system of working in the mines is usually to put from two to four men together, and require of them an aggregate amount of coal. The theory is, that the one who fails to do his part, is punished. But as we found it—the practice is to punish all.

Those who work on the "day shift" are allowed to come out of the mines when they finish their task. The men are called out at four o'clock, but those who have not finished their task by that time are allowed to remain. Thus the men are coming out at all hours of the day. As they come

out, they go into the bath room, bathe and put on their cell suits, and go to their cells.

The "night shift" are all required to remain in the mines until about sun-rise. The Saturday "night shift" are by this rule, kept in the mines until sun-rise on Sunday morning.

The necessary work on Sunday, such as minding the pumps, &c., is voluntary, and the men receive pay for performing it.

The contractors—the men to whom the State and counties hire their convicts—have as little to do with the management and treatment of the men, and perhaps know as little about it as people on the outside. This duty and responsibility is devolved upon their employees, who are entrusted with full authority.

When a convict complains of being sick, he is usually examined by a physician before he is sent to work. If he complains after entering the mines he is sent to the surface. This general rule is not always observed. Sometimes the man in charge of the convicts decides this question upon his own judgment. Among the witnesses examined were several convicts in every prison. Some of them affected to be unwilling to testify, from fear of the consequences if it should be known that they had given information. For this and other reasons, we have condensed the testimony of this class of witnesses and omitted their names.

Your committee saw many cases of seeming violations of the laws and regulations relating to the management of convicts. The authority of the Board of Inspectors to correct these abuses is ample.

COALBURG.

On the 8th day of January, 1889, the committee visited the prisons of the Sloss Steel and Iron Company at Coalburg. This company works about two hundred and ninety county convicts, but has no State convicts. The prison is new and commodious and well arranged for the safe keeping and comfort of the convicts. It is built in the shape of a square, with a court in the centre, around which is a covered gallery or stoop. Into this square the inmates are turned for fresh air and sunshine on Sundays. This can be done with safety, as the cells open upon it, and the exits are easily guarded. This is a feature worthy of men-

tion in a mining prison, as the men go into the mines before the sun rises and but few come out before it sets, and when they do get out sooner, are required to go at once to their cells. This is the only mining prison in the State where convicts are worked, that affords opportunity to this class for any open air exercise or recreation. There are many convicts in the coal mines in this state who have not seen the sun shine for months. The convicts here are well fed and well clad. The system of classification is not known here, and the men are tasked by the contractors. The task therefore is heavier than at Pratt Mines. It is probably true that not so many tons are required as a day's task, but the seam of coal is thinner, and therefore more difficult to be mined. Failure to perform the task set, is punished by whipping, in the absence of a "good excuse," and the length of the punishment list would seem to indicate that the excuses are rarely good. At this prison, as at all the others, the men are required to sleep two in a bunk. Each man should be allowed to sleep alone. We went through the mine under the guidance of the superintendent. It is what is termed a "drift mine," and is well drained and well ventilated. There is probably no healthier or safer mine in the state.

The hospital is well arranged. The company have a resident physician employed who visits the prison daily.

NEW CASTLE.

On the 9th day of January, 1889, your committee went to New Castle, arriving there about twelve o'clock, noon, and remained until three o'clock p. m. of the next day. We examined many witnesses, including managers, guards and convicts. We also went into the mines and saw some of the men at work.

This mine is a "slope" and is wetter than any other mine where convicts are worked, and the main entry was full of escaping steam and extremely warm. The vein of coal is thinner than the vein at Coalburg or Pratt Mines, and is more difficult to mine. Perhaps two tons of coal can be gotten at Pratt mines with as little labor as one at New Castle. We did not see this mine under favorable circumstances, as the pumps had got out of fix the day before our visit. The ventilation, so far as your committee could judge, is good.

The prison is secure, but does not compare favorably in comfort and cleanliness with the prisons at Coalburg and Pratt Mines. The same may be said of the hospital.

The interior arrangements are on the usual order. There are two "cells" extending the length of the buildig, separated by a hall, which is used as a dining room for the convicts, and head-quarters for the guards. The "cell" on the left, as you enter, is occupied by negro convicts. The "cell" on the right is divided into two compartments. It might more properly be termed two cells. The front compartment is occupied by whites; the other by negroes.

The convicts here are fed with the usual prison diet and in sufficient quantity. The same rule applies here as at the other prisons, viz.: Each convict is given two rations at breakfast, one of which he can carry into the mine for his dinner, if he sees proper, provided the convict has a bucket in which to carry it, which is not always the case.

On investigating the "punishment book" at this place we found the record of whipping larger in proportion than at any prison in the State and very severe. The bathing facilities are good and the death rate much lighter than at any other prison.

We cannot speak favorably of this place in respect to the clothing of the convicts either as to quantity or cleanliness. A convict has here two suits, composed of a shirt and pants each. One is for cell wear and sleeping in. This suit is marked at varying intervals. The other suit is used in the mines and is worn until it can be worn no longer. It is never washed and very seldom dry. It is taken off when the convict comes from work to the bath house, nearly always wet. After bathing, the cell suit is put on and the mining shirt and pants left in the bath house to be put on next morning.

We saw here some convicts working without shoes. The rule is to give a pair of shoes once in three months. If they wear out sooner the convict goes without, unless he asks for more, when he gets another pair, accompanied with a whipping. This applies to coal cutters in the mines.

Socks and under-clothes are not known at this prison, unless sent by friends outside or brought by the convict.

In explanation for the whipping of the convicts when they ask for shoes or buckets it was stated that the

convicts would dispose of their shoes and buckets to the free miners.

Your committee saw men at work here who ought not to have been required to work. There was one instance of shipping that came to our knowledge here that was unusually severe. There should be a close inspection of this camp.

PRATT MINES.

The committee returned to Pratt Mines on the 15th day of January, and made an examination of the convicts, the prisons and the mines. There are two prisons here and two mines in which the convicts are confined and work. The old prison at "slope No. 2," is secure, reasonably comfortable and apparently in good sanitary condition. About four hundred convicts are confined here. They have enough to eat and to wear, and are evidently as well treated as in their condition, could be expected. The punishment record here is smaller by a hundred per cent at least, than at any other prison in the State, and yet the warden says that he has no trouble in getting the task assigned the men.

This mine is, as the name indicates, what is known as a "slope mine." It seems to be perfectly ventilated, and, although a good deal of water runs into the mine, it is kept comfortably dry by means of pumps. However, here, as at other "slope" and "shaft" mines, some of the men are required at times to work in water from ankle to knee deep. This may be true of any mine, and of any class of labor, but the inspectors should take special precautions to see that where convicts are required to work under such conditions, provision is made to preserve their comfort and health.

The other prison of this company is at the "shaft" which is about a mile from the "slope." This is a new structure, having been completed within a few months past. It is large, secure, well ventilated and in excellent sanitary condition. No other prison in the State can be compared with it, except the one at Coalburg, which has better facilities for escape in case of fire, and has also the advantage of the inside court, elsewhere referred to in this report. The "shaft" prison is of wood, two stories high, built somewhat in the shape of a cross, with each of the cells opening into a common hall. There is but one means of ingress or egress. In other respects this is an excellent prison. The

mine here is a "shaft mine." What was said about water in "slope No. 2," applies as well here. But the ventillation here is not nearly so good as at the "slope," and ought to be improved. The convicts at the "slope" seemed to be in better condition physically and in better spirits than those at the "shaft." The committee noted the fact, but the reason was less apparent. There are about four hundred confined here, and they have enough to eat and to wear. The punishment list is considerably larger than at the "slope."

THE PHYSICIAN.

The office of State Physician is a necessary one, and should be filled by a physician of ability, skill and self-reliance. Largely upon his judgment depends the welfare and good name of the State, in the management of the convicts under the present system. From our investigation and the testimony of the inspectors and physicians, we find there has been difference of opinion as to whether a convict should be imprisoned at the mines or at the walls. Whether a man should be classed, and in which class. We do not think this division of responsibility should exist. Either the authority of the physician, as to place of confinement or character of work should be limited, or the board of inspectors clothed with the power to elect the physician, and made responsible for this part of the convict administration.

We refrain from further comment.

INSPECTORS OF CONVICTS.

The committee have to acknowledge the courtesy received from the inspectors, and their perfect readiness to facilitate our work.

The present Board have accomplished a great work for the State. The convict laws could hardly have been called a system when they began their labors, but they have brought order out of chaos, and have corrected many of the grossest abuses incident to a lease system.

A committee of investigation see the best and brightest side. Their coming is prepared for, and a ready explanation is never wanting. If they hear a complaint, they rarely have time to determine the right or wrong of it, and never the power to rectify it. The convict must look solely to the

authority vested in the inspectors. They should be earnest, and vigilant to detect abuses, and prompt in the exercise of their power to prevent and correct them. Section 4564. of the Code, provides that "one of the inspectors shall visit once in two weeks, and oftener if required by the Governor, the several places of confinement of all convicts," &c. We suggest that this section be so amended as to require each inspector except the president, to visit, once in each month, the several places of confinement of all convicts, &c.; and further to require such inspector to inspect the mines and the men at work therein. Some of the mines where the convicts work, have never been entered by an inspector.

Section 4641, places the hiring of State convicts in the hands of the President of the Board, subject to the approval of the Governor. We think this section should be amended so as to put this power in the hands of the President and Board, subject to the approval of the Governor.

Section 4565, of the Code, provides that the President of the Board of Inspectors shall furnish each convict, within a month after his confinement, a card showing date of conviction and expiration of sentence. We find that no cards have been issued as herein directed since last October. The reason assigned is that the clerical force in the office of the President of the Board, was inadequate to the work required.

We find that the Board have never tasked the county convicts, although section 4563, of the Code, seems to make it their duty to do so.

COST BILLS.

Under the present law, when a criminal is convicted and sentenced to the penitentiary, the clerk of the court collects from the contractor the costs in the case, not exceeding \$150, before removal, and the contractor receives credit therefor upon his contract.

The payment of these costs, however, is preceded by a bill of costs, forwarded to the President of the Board of Inspectors. There is no certification except by the clerk of the court. We examined a large number of these cost bills, and found that the auditing of them was very superficial.

There are in them what we believe to be errors, and charges not allowed by law.

We apprehend that under the present system of settling

these costs, gross irregularities can occur, almost beyond correction; and every cost bill might call for one hundred and fifty dollars.

We suggest that the contractor should settle with the State through the proper officer, and the State settle its own accounts with the clerks of court. There can be no injustice in this, and it would certainly be much more satisfactory.

CONVICT SYSTEM.

Section 4492, of the Code of Alabama, provides: "In all cases in which the period of imprisonment in the penitentiary or hard labor for the county is more than two years, the judge must sentence the party to imprisonment in the penitentiary; and in all cases of conviction for felony, in which such imprisonment or hard labor is for more than twelve months, and not more than two years, the judge may sentence the party to imprisonment in the penitentiary, or confinement in the county jail, or to hard labor for the county, at his discretion; and in all cases in which the imprisonment or sentence to hard labor, is twelve months or less, the party must be sentenced to imprisonment in the county jail or to hard labor for the county."

This makes, practically, two classes of convicts, and two convict systems. In the first class, are what is known as State convicts, and there are few, if any, in this class whose term of sentence for crime does not exceed two years. The State convicts are hired out by the State, and the proceeds of their hire goes into the State Treasury—minus the cost of conviction, not to exceed \$150 in each case.

The second class, or "county convicts," are those sentenced to hard labor for the county. This class embraces both felons and misdemeanants. County convicts are hired out by the Commissioners Court of the county where conviction is had, and the proceeds go to the county.

Where a party is sentenced to hard labor, and fails to pay the costs of conviction, he may be, and usually is, sentenced to an additional term for costs. This, also, goes to the county.

State convicts cannot be sentenced for costs.

Gov. Houston, in his message submitted Nov. 14th, 1876, upon this point says: "In my former message, I said the State pays for feeding prisoners while imprisoned in the

counties; pays fees to sheriffs in cases of insolvent convicts; also pays for arrests of absconding felons, aggregating \$103,493.23-100, to which should be added other small items paid by the State and not enumerated in this message. It seems but fair, under this State of facts, that the convicts should be sent to the penitentiary, that the State may have the benefit of their labor. It is useless to keep up the penitentiary as a place of punishment if those who are convicted of felonies are sent to work for the counties, and in that way make the penitentiary a useless expense to the State.

* * * * *

I also recommend a modification of the act of March 7, 1876, "to provide for the punishment of persons convicted of crimes in certain cases." So that in all cases in which the term of service does not exceed one year, it shall be discretionary with the judge to sentence them either to the penitentiary or hard labor for the county, as he may think will best promote the ends of justice, but in all cases in which the punishment is for two years or more, the convicts must be sent to the penitentiary without any such discretion on the part of the judge."

In 1881, a joint committee of the Senate and House, after careful investigation, report as follows:

In their biennial report to the Governor in 1884, the present board of Inspectors say that the county system "is peculiarly an Alabama institution, and unequal in operation."

"We cannot too severely condemn the present system of hard labor for the county. In many instances the persons sentenced to hard labor for the county for misdemeanors are hired to contractors who work penitentiary convicts. These are all chained and herded together, and the person convicted for a misdemeanor is treated just the same as is the man to whom he is chained who was convicted of a murder. In many instances young men, who had in their thoughtlessness committed an indiscretion, have been convicted, and being unable to pay the fines, and having no friends to relieve them, are subjected to hard labor in lieu of the fines and costs. What little pride of manhood they had dwelling in their hearts is crushed out, and at the expiration of their term of sentence they come out with the feeling that they are disgraced and degraded, have no bright future to look forward to, and at last come to be felons themselves.

Your committee earnestly recommend that a law be enacted taking

away from the circuit judges the discretion of sentencing persons convicted for felonies to hard labor for the county, and that all convicted felons be sent to the penitentiary, and that those convicted for misdemeanors and sentenced to hard labor for the county, be hired out only in the county in which they were convicted, and in no instance shall they be hired to any person who employs convict labor."

We refer to these reports as showing the opinions of past investigations. Changes in the law have corrected many of the evils in the manner of treatment of misdemeanants.

Again, in 1886, in their Report, pp. 23-28, and in 1888, p. 41, they recommend that all felons should be sentenced to the penitentiary, and that the misdemeanants should be kept in the county of their conviction.

The argument thus persistently urged against the county system, are two fold. In the first place, it is insisted that as the State pays the cost of the administration of the criminal laws, including the salaries of Judges and solicitors, the transportation of prisoners, feeding of prisoners before conviction and other items, amounting in the aggregate to more than \$125,000.00, the State should receive the returns from the labor of the convicts, and that it should not be diverted from the State treasury into the treasury of the county where the conviction was had.

In the second place, it is urged that justice and humanity alike demand that there should be a distinction made in the treatment of felons and misdemeanants. As the law now stands, the youth convicted of carrying a concealed weapon or other misdemeanor, receives the same fare, wears the same stripes, performs the same task in the same mine, and is subjected as often to the lash, as a felon convicted of arson or murder. The only difference is in duration of sentence, and even in this, the term of the misdemeanant, including the sentence for cost, is sometimes longer than the sentence imposed upon the felon.

Under this head we call attention to section 4504 of the Code, which has been construed as authorizing justices of the peace to sentence to hard labor for the county for costs. At one prison we found a convict sentenced by a justice of the peace for ten days for a misdemeanor and for several months for the costs. Prior to the present Code this was not authorized, and we urge that it should be prohibited now. The reasons which suggest this recommendation easily suggest themselves to any who are familiar with the usual practice in the courts of justices of the peace.

COUNTY CONVICTS.

On the first day of January, 1889, there were employed at the three places where convicts are worked on mines a total of six hundred and twenty-one county convicts.

We find that these convicts are not so well inspected as the State convicts; but there is not, nor can there be, any good reason for this.

The laws and regulations relating to the duties of the Inspectors are applicable alike to State and county convicts, when hired out of the county where convicted.—Code, 1886, §§ 4585-4586.

The average price paid per capita for county convicts is ten and 15-100 dollars. The average price received per capita under the present contract for State convicts is seven and 31-100 dollars—making a difference in favor of the counties of two and 84-100 dollars per capita. When it is taken into consideration that the county convicts embrace every class, grade and sex, just as they come from the jails, and that the average sentence of county convicts is less than nine months, as against an average of ten years for State convicts; and that all the testimony before us shows that the State, or long term, convicts are more valuable and less expensive to the lessees, it appears that notwithstanding the “pool or combination” among the hirers of county convicts, the counties have financially managed better than the State. A calculation will show that had the State, with a more valuable class of convicts, contracted as well as the counties, the increase of receipts would have amounted to \$21,399.40 for the eleven months ending December 31st, 1888. This is taking, as shown by Col. Dawson, six hundred and sixty-five to be the average number of convicts during this period. This sum is augmented by the cost to the State of sustaining the convicts at Wetumpka.

COMBINATION OF HIRERS OF CONVICTS.

In pursuance of the resolution directing this committee to inquire, “Whether or not there was or had been any pool or combination among any of the parties hiring county convicts,” we made diligent search for any information or evidence on this subject.

Such an inquiry is necessarily fraught with many difficul-

ties. Arrangements of this character are usually secret, and, though suspected, are seldom susceptible of proof.

The replies to the interrogatories sent out by us to the probate judges of the several counties, were generally that they knew of no such pool or combination. In a few instances, however, the answer was, "Have heard there was, but do not know."

We pursued the investigation by secret examination of the persons we anticipated were acquainted with the facts, and elicited the following, which appears more in detail in the depositions herewith submitted—particularly those of Mr. E. M. Tutwiler, Mr. P. J. Rogers, Mr. Howard Douglas, and Col. John T. Milner.

Some time in 1883 there was a written agreement entered into by certain hirers of county convicts. This agreement we have been unable to obtain. Early in 1888, however, changes had occurred in the ownership and management of the mines hiring convicts, and another conference was had, brought about, as we understand, from the fact that the Coaldale company having been left out of the original agreement, had entered the market as a competitor for the hiring of county convicts. At this last conference there were in attendance P. J. Rogers, representing Tenn. Coal & Iron Co., E. M. Tutwiler, representing Sloss Iron and Steel Co., Howard Douglas, representing the Milner Coal & R. R. Co., and Mr. Thos. Seddon, President of Sloss Iron and Steel Co. The testimony shows that the further agreements of these parties were verbal. The result was, that the Coaldale Co. gave up its convicts and retired from the field. The convicts it then had were divided among the other three companies according to the original agreement, and the counties of the State were divided into three parts, one part to each company, and a list of counties taken by each, and each agreed not to bid against the others in the counties so organized. The Coaldale Company received either \$3,000 or \$2,500 and agreed not to hire county convicts. Under this agreement the Tennessee Coal and Iron Company were assigned the following counties: Russell, Conecuh, Talladega, Calhoun, Bullock, Clark, Madison, Green, Tuscaloosa, Shelby, Fayette, Dale, Pickens, Lamar, Cleburne, Franklin and Washington. Sloss Iron and Steel Co. the following: Hale, Pike, DeKalb, Randolph, Lee, Chilton, Bibb, Escambia, Crenshaw, Blount, Marengo, St. Clair, Etowah, Choctaw, Cherokee, Henry, Montgomery,

Barbour, Sumter, Dallas, Coffee, Cullman, Clay. The Milner Coal and Railroad Co. the following: Baldwin, Jackson, Lawrence, Lauderdale, Limestone, Macon, Mobile, Morgan, Wilcox, Marshal, Walker and Colbert. It is unnecessary to say that the testimony shows that the object of this combination was to prevent competition and to keep down the price of county convicts. We have not ascertained that any State or county official was interested or connected with such pool or combination.

CONCENTRATION OF CONVICTS IN MINES.

The tendency in the past few years has been to concentrate the convicts in the coal mines. On January 1st, 1889, the total of State and County convicts was 1,626. Of these 144 State convicts were confined at the walls at Wetumpka. They were for the most part women (not offered for hire) and men who had been rejected by the Tennessee Coal & Iron Railroad Co. One hundred and ninety-seven were being worked in the counties where convicted. This number includes forty county convicts of Jefferson county. This county does not allow its convicts worked in the mines. The remainder, to the number of 1,285 were hired at Coalburg, New Castle, and Pratt Mines. The committee are of the opinion that the interest of the State requires that so far as practicable the convicts should be put at some other kind of labor. The interest of the convict requires it, for while the sound and able bodied men find the work congenial, and suffer no ill effects, on the other hand the evidence is conclusive to show that work in the mines is apt to develop any latent weakness or tendency to disease. Another objection is that the tendency and effect of this, clearly is to make a Botany Bay—a penal colony of one section of the State. The number of convicts annually released in Jefferson county is quite a thousand. It is not to be disputed that a very large proportion of this number, practically all who have become coal miners, remain there, and bring their families to live there with them. It was ascertained that at Coalburg thirty per cent. of the free laborers were ex-convicts. This class form a nucleus around which assembles the criminal classes from this and adjoining states. In this there is a grave menace to the peace and prosperity, not only to the people of this county, but of the entire State. If these convicts were employed

in outside work, on farms, in rock quarries, saw mills, machine shops, etc., the motive which now keeps them in one locality, viz, their ability to cut coal, would no longer exist.

An increase in the proportionate number of wage earners to the population increases the general prosperity. Remove the 1,235 convicts from the mines, and in their stead would come 1,285 wage earners, who with their families would add approximately, 5,000 to the population. Their homes would occupy hills now barren and unproductive, and add, by way of increased tax values, to the revenue of the State.

Nearly all of the stock and bonds of the companies—except the New Castle Co—working convict labor is held, and the principal officers thereof reside out of this State. Now the great advantage that any state derives from the establishment of industrial enterprises results from the wages paid to labor, which goes into circulation and thus increases all values. Nearly every dollar of profit made by these mining companies goes out of Alabama to pay the foreign bondholders and stockholders. If however, these 1,235 convicts were replaced by wage earners, their wages

which by a conservative estimate would aggregate not less than \$3,000 per day—would go into immediate circulation and remain here at home. This would mean an increase in the circulating medium in Alabama of \$900,000 a year, or an aggregate for the nine years which the present contract with the Tennessee, Coal and Iron Co., is to run, of about \$8,000,000. The revenue to the State in the way of taxes on this sum alone, would be very great, and when it is remembered that increased population and money circulation enhances all values, it can be readily seen that the benefit to the State would be enormous.

If the way could be made plain for the State to employ its convicts upon farms, without loss, it would be to the mutual advantage of State and convict. So employed, this labor would deprive no wage earner of his work. The advantages of employing convicts on farms is made most apparent, when it is understood that at the Williams farm, in a malarial district, out of about eighty convicts, of the least healthy ones, only two died in two years, and both of these were received by Williams in an almost dying condition. The testimony of Rouse, and Williams and Pace, and the reports of all the State officers who have investigated the matter, is persuasive to show, that looking alone to the

health of the convict, the farm is the best place for him.

THE LEASE SYSTEM.

The lease system is slavery in its worst aspect. It is at war with the enlightened sentiment of the age. It is admitted everywhere that the only excuse for its existence, is the necessity out of which it arose. We believe that the State could now afford to move forward in this matter with safety and with profit. The University of Alabama and the Insane Asylum own large quantities of most valuable coal lands. If the State proposes to continue to work the convicts in mines, she could open mines on these lands, and pay to these institutions a royalty that would greatly enlarge their capacity for usefulness. The State of Kansas works a mine on State account with convict labor and the results are satisfactory.

The testimony before your committee shows that the Tennessee Coal and Iron Company make a net profit of from \$400.00 to \$500.00 a day, from the labor of the State convicts under the present lease. This profit is difference in cost to them of free labor and convict labor. Why should not the State get the full benefit of this labor? Expert witnesses before your committee, men who are engaged in mining with free labor, say that they could afford to pay the State to mine their coal as much as it now costs them; that is to say, they now pay for cutting, hoisting, and loading in cars, exclusive of all other cost, about eighty-five cents per ton, at some places more, at others less. They could afford to pay the State the same price per ton, the State retaining the control and management of the convicts and feeding and clothing them. The six hundred State convicts at Pratt Mines get out about 1100 tons per day. The average hire of these six hundred men is thirty-seven and a half cents per day, and the cost of feeding, clothing, etc., does not exceed fifty cents per day. These statements are amply sustained by the testimony herewith submitted.

THE EXISTING LEASE.

The contracts for the hire of convicts, existing prior to the present lease, all terminated on the 31st day of December, 1887. On the 29th day of November, 1887, the following advertisement was made:—

ADVERTISEMENT FOR BIDS FOR THE HIRE OF STATE CONVICTS,

1888.

STATE CONVICTS FOR HIRE.

OFFICER OF INSPECTOR OF CONVICTS, }
 MONTGOMERY, ALA., Nov. 29, 1887. }

Sealed proposals will be received at this office until the third day in January, 1888, for the hire of State convicts to be worked outside the walls of the penitentiary. The number subject to hire is about six hundred. No bid will be considered for less than one hundred, nor for a shorter period than five years, or a longer period than ten years, from the first day of January, 1888, and proposals are invited for both period and also for intermediate periods.

All of said convicts, who are physically able to do so, may be worked in mines, and the proposals shall state the number of convicts wanted the labor to be performed and particular locality of same; and no bid will be considered that does not expressly state the particular place designating the same by name.

Convicts hired to work in mines and able to do so, will be classed by the inspectors into first, second, third and fourth class, and the proposals shall state the amount offered for each class respectively per month. Convicts capable of performing manual labor, but unable to work in mines, will be hired per capita and proposals in that way are invited for them. No female convicts are offered for hire.

The hire for said convicts shall be due and payable the first day of each month. The hirer shall be required to give bond for the faithful performance of his contract in such sum as may be required by the Governor and with security to be approved by him. The hirer shall conform to all the conditions of law for the hiring of convicts, and their management and treatment, and also to all the rules of the Board of Inspectors of convicts now in existence or that hereafter may be adopted, and to provide suitable rooms, furniture and accommodations for the schools required to be established by the Inspectors. Copies of the contract required to be signed may be obtained by application at this office.

The proposals shall be written or printed and shall be enclosed in an envelope and securely sealed, with no inscription or superscription on the outside of said envelope, except my name and address, and across the left hand of the envelope, the following words: "Proposal for Convicts."

Such convicts as may be necessary for the use of the State, or who because of sex, insanity or disease cannot be put at hard labor are reserved.

The proposals will be opened and the bids accepted or rejected at the

Executive Office in the State Capitol, on the third day of January, 1888.
The right reserved to reject any and all bids.

R. H. DAWSON, President,
Board of Inspectors of Convicts.

(Huntsville Democrat, Birmingham Iron Age, and Mobile Register,

of the Board of Inspectors, Montgomery, Ala.)

In this notice the term, fifth class, or class known as outside men, occurs for the first time. It seems to have been variously construed at the time, and there has been more or less confusion of opinion about it ever since.

There seems to have been a very general desire on the part of those proposing to bid to ascertain the classification under then existing contracts, and the probable number there would be assigned to each class under the contract to be made. With this in view Col. John T. Milner wrote to Col. R. H. Dawson as follows :

Col. R. H. DAWSON,
Montgomery, Ala.

MY DEAR SIR:—Please send me the classification at Pratt Mines for the six months preceding Oct. 1st, both for the Comer and M'Curdy and the Pratt Mines contracts. I also wish to know if I bid for 100 convicts and get them, whether I can put fifty at Bolling, and fifty at New Castle. I bid in my own name or the two companies combined, and bid jointly for 100, and you divide them. Will such a bid be accepted and acted on? Answer at your earliest convenience and oblige,

Yours truly,

(signed)

JNO. T. MILNER.

P. S. I saw Mr. Douglass and told him you had promised the above information, and he told me he had to get your order to furnish such information. We can guarantee 100 at least.

To this Col. Dawson answered as follows :

JNO. T. MILNER,
New Castle, Ala.

Your letter is received. Mr. Douglass is so busy that I cannot make in detail the classification, but it is substantially as follows: One third, first class; one third, second class; one sixth, third class; one sixth, dead heads. But I do not want any one to be misled by this, for under the new rules for task which I send you of the 400 men at Pratt Mines, at least 175 will be *first class*, and the balance equally divided between third and second class. Our task heretofore has been too high, which is the reason our men have rated so low, but we have found out the difficulties and corrected them by the adoption of the

inclosed rules, and we want every body to bid with the understanding that the rules will be strictly enforced. This had best be thoroughly understood to prevent trouble hereafter. I send you the convict part of the new Code and the acts of the Legislature in relation to convicts, and also a copy of the contract to be signed. You must read the laws, and determine for yourself how, and where to work the men whom you may hire. You are just as competent to form an opinion as I am. I will guarantee nothing, but that each contractor shall have his fair proportion of convicts.

Yours truly,

(signed)

R. H. DAWSON.

It seems that Col. Dawson's letter to Col. Milner was read by some, if not by all, the other bidders, and was by them accepted and made the basis of their bids.

Bids were made as follows :

With Col. Dawson's letter to Col. Milner as a basis, by a simple calculation it will be seen that the bid of Messrs DeBardeleben & McCurdy was largely more than the bid of the Tennessee Coal and Iron Company.

But on the morning of January 3rd, 1888, the day upon which the bids were to be opened, the Board of Inspectors met in the Governor's office and proceeded to establish a basis upon which to calculate the bids, that is to say, to make an estimate of the probable number of State convicts on hand, that would be assigned to each class. They arrived at the following estimate.

1st class,.....	134.
2d class,	120.
3d class,	60.
4th class,.....	78.
Outside men, ..	208.

At this time the convicts were assigned and classified as follows :

CLASSIFICATION DECEMBER 1, 1887.

CONTRACTOR.	1st.	2d.	3d.	D. H.	Total.
Thos. Williams.....			29	25	54
L. A. Rouse		10	30	55	95
Pratt Coal and Iron Co.....	19	53	85	55	212
Comer & McCurdy.....	20	67	78	36	201
Walls				53	53
Total.....	39	130	222	224	615

This shows the classification of those engaged in mining. The convicts hired by Williams and Rouse were engaged in farming.

Under this classification the task of first class men was five tons ; second class, four tons ; third class, three tons, and fourth class, or "dead heads," two tons.

But, as stated in Col. Dawson's letter to Col. Milner, this classification had been found to be too high, and the Board had decided to reduce the task one ton in each class, the reduction to begin with the new contract. Under this ar-

arrangement it would naturally be supposed that the second class would all have gone into the first class, the third class to second, and the "dead heads" to third class, and this would have sustained the estimate made in Col. Dawson's letter. But the estimate in the letter did not differ more widely from the estimate upon which the bids were calculated, than did this estimate from the first classification under the new contract. Under the classification for February, 1888, the first under the new contract, we find—

1st class,	2d class,	3d class,	4th class (or d. h.)	outside
100	96	116	71	116

How the Board arrived at their estimate, the committee have been unable to understand from all the testimony, but had Col. Dawson's letter been adhered to in the calculation, or had the then existing classification at Pratt Mines been adopted as a basis, or even had the classification as it has since ranged, down to and including January 1889, the bid of the Tennessee, Coal and Iron company would not have been the highest or best bid.

The advertisement calling for bids and the contract as signed, provides for the classification of all men who are hired to work in mines. This is done under section 4641 of Code. Now there is a large proportion of men who work in mines whose task can *not* be apportioned to their class. This is particularly true of Pratt Mines where much of the coal is cut by machinery, the men merely guiding the machines. Only the men who cut and load coal can be tasked according to their class. All the others, constituting about two-fifths of the whole number, do a full day's work without regard to their classification. We have tried to make the point clear under the heading, "Classification."

The contract was awarded January 3rd, 1888, but there was no classification at Pratt Mines for the month of January. Col. Dawson, in his testimony, explains this as follows: "The statute requires the advertisement to be made thirty days before the bids are opened. By advice of the Governor the advertisement was not made until the 29th day of November, 1887, in order that the contract might go into effect under the new Code. In the meantime the existing contracts would expire. Col. Dawson therefore arranged with the Tennessee Coal and Iron Company to continue to work the convicts during January under the old contract." This delay cost the State several hundred dol-

lars. However, the contract, by the very terms of it, went into operation on the fourth day of January, 1888. See section 10 of contract. A State convict is not classed until the first of the month next after he is received at the mines. The State receives no compensation for the convict until he is classed. The county convicts are paid for from the date of their delivery to the contractor.

The committee are of the opinion that the Tennessee Coal, Iron & Railroad Company were not the highest and best bidders, and that this contract should not have been awarded to that company. We are further of the opinion that this company have taken advantage of the system of classification, against the interest of the State. We believe that this company have declined to receive a large number of convicts whom, by the terms of their contract they should have received, and have left them to be supported by the State at large. (See letter of R. H. Dawson hereto attached.)

Section 4644 of the Code provides as follows: "Each contract must contain a provision that the President of the Board of Inspectors may terminate the same at any time, with the approval of the Governor; and the Governor may terminate the same at any time, without assigning any reason."

The committee believe that the contract now existing with the Tennessee, Coal, Iron & R. R. Co. ought to be terminated.

Your committee submit herewith the testimony taken by them, and certain bills designed to carry into effect the recommendations of this report.

[COPY OF CONTRACT.]

THE STATE OF ALABAMA,)
MONTGOMERY COUNTY. }

This agreement made and entered into on this, the 3d day of January, A. D., 1888, by and between R. H. Dawson as President of the Board of Inspectors of Convicts for, in behalf of and to the use of the State of Alabama, party of the first part, and the Tennessee Coal, Iron and Railroad Company, a corporation fully authorized to contract in the premises, party of the second part, witnesseth that, *Whereas*, on the 29th day of November, 1887, advertisement for the hire of State Convicts was duly made by the party of the first part, which advertisement is hereto attached and made a part hereof, and *whereas* the following, among other proposals, was duly made by the party of the second part,

proposes to hire for a term of Ten Years all the male convicts subject to hire which are now under sentence, or may hereafter be within said term of Ten years sentenced to the Penitentiary of Alabama, and will pay for them as follows:

First Class Convicts.....	\$18.50 per month.
Second Class Convicts.....	\$13.50 per month.
Third Class Convicts	\$ 9.00 per month.
Fourth Class Convicts	Maintenance, and
For Convicts unfit to work in the mines but suitable for good manual labor outside.....	\$11.00 per month.

In case the bid for Ten years is accepted, said Company will build new and permanent prisons with first class conveniences and appointments in every respect, also a house for the teachers and will pay the teachers, and suitable school rooms. The said Company will employ the convicts fit for mining at what is known as Shaft No 1 and Slope No. 2 at Pratt Mines, Jefferson county, Alabama, and possibly at other Shafts and Slopes at said Pratt Mines, if approved by the Inspectors.

The said Company wishes, however, if it meets with the approval of the Inspectors, and it can make certain contracts for coal [which the said Company confidently expects to do], to build railroad and new prisons on its lands on or near Five Mile Creek and concentrate all its convicts force there, which place is distant from the Shaft and Slope above mentioned from three to four miles.

The convicts not allowed to work in the mines but on the outside, will be employed in raising vegetables, and at work incident to mining.

These bids are intended to be made in conformity to the advertisement [for bids] hereto appended and made part hereof.

The foregoing bid is respectfully submitted by the Tennessee Coal Iron and Railroad Company by its President, Nathaniel Baxter, Jr.:

TENNESSEE COAL, IRON & RAILROAD COMPANY.

By NATHANIEL BAXTER, JR.,

January 2, 1888.

President."

For the hire of all State Convicts now under sentence or who may be hereafter within the term of this contract sentenced, for the term of Ten years, which said proposal was accepted by the party of the first part and approved by the Governor of the State of Alabama on the 3d day of January, A. D., 1888, saving the right to reserve from the operation of the contract to be made in consummation of said proposal and the acceptance thereof such convicts as the officers of the State are authorized by law to except and reserve therefrom.

Now therefore this instrument witnesseth:

1. That the said party of the first part by virtue of the power and authority in him vested by the laws of Alabama, and with the approval

of the Governor of Alabama, hereby hires to the said party of the second part all the male State convicts now under sentence, or to be hereafter during the period covered by this contract, sentenced to the Penitentiary of Alabama, except such as are or may be reserved or authorized to be reserved by law now in force or hereafter enacted, all of said convicts who are physically able to labor in coal mines are to be employed in the labor of coal mining at or near Pratt Mines, or with the approval of the Inspectors, in coal mines at or near Five Mile Creek, in Jefferson county and State of Alabama, and those of said convicts who are not physically able to work in coal mines, shall be employed outside of but near to said mines, in the cultivation of vegetables or other work incident to mining.

2. That the said party of the second part is to pay to the State of Alabama as hire for said convicts, that is to say: For convicts physically able to work in mines and hired for that purpose, of the first class, eighteen and 50-100 dollars per month; of the second class, thirteen and 50-100 dollars per month; of the third class, nine dollars per month; of the fourth class, maintenance; and for convicts unfit to work in mines but capable of manual labor, as set forth in said advertisement, eleven dollars per month. The said hire to be due and payable at the State Treasury on the first day of each month, during the continuance of this contract, and if default should be made in such payment, or in any other payment to the State, required hereby, and suit at law for the recovery of any sum as to which such default occurs should be instituted, then twenty per cent. damages shall be added to the same.

3. That the contract is entered into under and in accordance with all the laws of the State of Alabama in relation to the hiring and treatment and management of convicts hired outside of the walls of the Penitentiary, and also of all the rules and regulations heretofore adopted by the Board of Inspectors of Convicts, and which may hereafter be adopted by said Board, such laws, rules and regulations being hereby expressly referred to and made a part hereof as if set out in full in this contract. And said party of the second part is to receive all convicts assigned to it at the jail where convicted, or at the walls of the Penitentiary, and to pay the expenses of their transportation to the place of labor; *Provided*, That if the physician of convicts shall pronounce any one so carried from jail to be permanently unfit for labor, then the party of the second part shall have a credit upon its monthly account for the expense of such convict.

4. That the said party of the second part shall furnish to each and every convict upon his discharge a good suit of clothes, shoes and hat, to be worth ten dollars; that the said party of the second part will not be allowed to make any charge against the State for any expenditure not provided for in this contract; that the said party of the second

part shall take every reasonable and proper step at its own expense for the recapture of every escaped convict, and the forfeiture of two hundred dollars for each escape shall be due and payable on the first day of the month after it occurred; that the said party of the second part shall make at the end of each month, to the President of the Board of Inspectors, upon blanks to be furnished by him, a report giving such information as to the convicts in its custody as that officer may require, and descriptive lists of any convict or convicts when called for; that whenever the President of the Board of Inspectors shall make demand by written or verbal order upon the said party of the second part for any convict or convicts in the custody of the said party of the second part, it shall deliver at once such convict or convicts to the said President or his agent; and that whenever the Physician of Convicts, or either of the Inspectors shall order in writing any convict to be transferred to the walls of the Penitentiary or any other place for medical treatment, the said party of the second part shall deliver, at its own expense, said convict at said place within seven days after date of such order.

5. That if any convict, while working out his sentence in the custody of the said party of the second part, shall receive personal injuries without fault on his part, permanently disabling him, the Board of Inspectors shall have power to make provision for his support, at a cost not to exceed eight dollars per month, and if necessary such cost may be added to the monthly account against the contractor.

6. That the said party of the second part shall furnish to the convicts in its charge such medical attention and medicines as may be required by the Physician of Convicts or by either of the Inspectors, and also such food and clothing as the Inspectors or either of them may direct.

7. That this contract may be revoked by the President of the Board of Inspectors of Convicts with the approval of the Governor, and the Governor may terminate the same at any time when in his judgment it is proper to do so, without assigning any reason, and on such termination or revocation of this contract the said party of the second part is to pay for said convicts at the rate herein agreed upon up to the date when it shall deliver the same to the President of the Board of Inspectors of Convicts.

8. That the said party of the second part will provide at its own expense suitable rooms, furniture and accommodations for the convict schools required to be established by the Inspector; also a suitable house for the residence of the teachers of such schools, and also shall provide one teacher to every 125 convicts, and pay the salaries and board of said teachers.

9. That the said party of the second part will, within one year from the date of this contract, build, equip and furnish in all respects, in

accordance with plans and specifications to be furnished by the party of the first part a new and permanent prison, or prisons, of sufficient capacity for the confinement of all the convicts that may, at any time, be in the custody of the said party of the second part under this contract; that said prisons shall be located at such points, at or near Pratt Mines, or Five Mile Creek, aforesaid, as the Board of Inspectors shall designate, and shall be provided with all appliances, conveniences and appurtenances that are necessary or conducive to the safe-keeping, health and comfort of said convicts; and the said prison shall, at all times, be kept in good condition, both as to sanitation and safety, by the said party of the second part. The entire cost of construction, equipment and maintenance as to safety and sanitation, of said prison to be borne by the said party of the second part.

10. That this contract is to commence upon the 4th day of January, D., 1888, and is to terminate on the 4th day of January, A. D. 1898, and said convicts are to be delivered to the said party of the second part, from time to time, by the President of the Board of Inspectors during the existence of this contract, provided said convicts are in the custody of said President subject to this contract; and that the said party of the second part is to receive and pay for all such convicts as he may receive under this contract, whether they be the full number contracted for or more or less.

11. That the said party of the second part shall give bond in the sum of one hundred thousand (\$100,000) dollars, the same being the amount required, and to be approved by, the Governor; and that said party of the second part, whenever required to do so by the Governor, and within five days after notice of such requisition, shall give, at the election of the Governor, either additional security on any existing bond, or a new bond, to be in either case approved by the Governor; but the giving of such additional bond, or additional security, shall in no wise affect or limit the liability of the sureties on the first or any subsequent bond.

Provided, however, that the Governor after the lapse of two years from the execution of any bond hereunder may, if he sees fit so to do, on the application of any surety on such bond, take a new bond in lieu of said bond and in release of the sureties on said bond from all liability which shall accrue after the date of the approval of such new bond, but such release shall only be evidenced by an indorsement on said bond signed by the Governor, which indorsement must also be shown to be transcribed on this contract, and the taking of such new bond and release of the sureties on such old bond shall at all times be entirely in the discretion of the Governor, and the exercise of this power on the part of the Governor with respect to any bond, shall in no wise affect, limit or release the liability of the sureties on any other bond. The interlineations after the word "part" above was made before the execution hereof, as also interlineation after word "labor."

IN WITNESS whereof we have hereunto set our hands and seals, this the 18th day of January. A. D. 1888, and executed the same in triplicate.

[R. H. DAWSON'S LETTER.]

MONTGOMERY, ALA., January 16th, 1888.

HON. THOS. SEAY,

Governor.

Dear Sir:—In pursuance to your orders I have been endeavoring to get into the possession of the Tenn. Coal, Iron and R. R. Co. all of the State convicts to which they are entitled and which they should receive under their contract. As soon as I commenced to deliver the convicts, who had been in the possession of Rouse and Williams, a difficulty arose, unlooked for by me, as to the kind of convicts this company should receive.

The Advertisement contains the following clause: "Convicts capable of performing manual labor, but unable to work in mines will be per capita, and proposals in that way are invited for them." The bid of this Company for that class of convicts reads as follows: "And for convicts unfit to work in mines but suitable for good manual labor outside, \$ 11.00 per month."

The Company declines to receive any persons for outside labor whom the Physician of convicts pronounces only capable of earning a living—i. e, who, though able to work, can do no more than enough to pay for their maintenance. At my request, Dr. R. Aug. Jones, the State Physician, has made an examination of the State convicts with a view to ascertaining the proportion of the convicts—allowing this claim of the company—will be thrown upon our hands for support.

I enclose you a copy of his report to me on this subject. From it you will find that at the Pratt Mines and at the Rouse and Williams plantations there are 55, and that there are also at Pratt Mines 33 of whom he is doubtful, and will make a subsequent report as to them. There are in the Penitentiary 37 women, none of whom are included in the above estimates. At least one-half of these can earn a living, and more, as

old hands: four or five of them are utterly worthless, and the balance can do some work, as washing, mending, sewing &c.

Allow me to call your attention to the number who will have to be supported at the Walls, if the Tenn. Co. is correct in the position that it has assumed.

STATEMENT:

Females	37
Persons from Pratt Mines incapable of earning anything.....	12
Persons from Pratt Mines capable of earning a bare living.....	20
Persons from Rouse and Williams incapable of earning anything....	15
Persons from Rouse and Williams capable of earning a living and no more.....	35
Persons at the Walls on the first of Jan. unable to earn a living....	20
Convelescents at the Walls under treatment but to be returned to the contractor whenever it can be safely done.....	11
[However, that is about the number of this class that will be there at all times no doubt, for as some are sent away others will be returned here.]	
Persons at the Walls who perform domestic offices such as cooks, &c. .	6
There will also be at the walls temporarily—there being probably several months work for them—about a dozen men employed as mechanics and their assistants.....	12

While the accurate total cannot here be given, it will be about 160, not considering that any of the 33 at Pratt Mines—considered as doubtful by Dr. Jones—will be returned to the Walls.

I had expected, and so stated, that the number would be about 100, and this difference from my calculations is the result of the position taken by the Tenn. Co. with regard to receiving the outside men.

Of this number, in my judgment, at least 18 women and 55 men can do at least work enough for a support in the field if we had any place to utilize their labor. The penitentiary is so situated that there is no land but about 50 acres of tillable land joining the Walls belonging to Thomas, and 20 acres belonging to the State that can be worked with laborers residing at the Walls, except that owned by Col. Thos. Williams. He has already made a proposition to work one of his plantations which has been declined. He again proposes to work a portion of his land or have it worked by the State with the women and the men refused by the Tenn. Co. at his first proposition. His proposal is this:

He will furnish the land, the teams, the cotton seed for planting, farming utensils, and one-half the fertilizer purchased, and the State to furnish the labor, feed, clothe and guard the convicts and have entire control over them.

As I understand from Col. Rogers, the manager for the Tenn. Co., they are willing to receive this 55, or at least a portion of them, for their maintenance.

If the claim of the Tenn. Co. is sustained, something must be done to relieve the State from the enormous burden which the support of these people will entail.

I lay this whole matter before you asking your advice and your orders, and am ready and anxious to do all in my power to settle it, in what you may consider the best interest of the State.

Yours very truly,

R. H. DAWSON.

A BILL

To be entitled An Act to amend Section 4563 of the Code.

SECTION 1. Be it enacted by the General Assembly of Alabama, That section 4563 of the Code be so amended as to read as follows:

4563. Must adopt rules to prevent inhuman treatment.—The Board of Inspectors shall adopt such rules, to be approved by the Governor, as are necessary to prevent inhuman treatment or cruel or excessive punishment of State and County convicts, and also to regulate the time and amount of work to be performed by them, and the manner of working them.

A BILL

4657. *Duty as to visiting places of confinement, etc.; monthly statements filed.*—Each of the Inspectors, except the President of the Board, shall visit once in each month, and oftener if required by the Governor, the several places of confinement of all State or County convicts; and the visiting inspectors shall examine the food, clothes, quarters, bedding, hospital, provisions made for the sick, and general treatment, and punishments, and shall inspect the mines and the convicts at work therein; and if he finds anything wrong, he shall point out the same to the warden of the prison, and immediately notify the President of the Board; and the President of the Board, and each inspector shall file monthly in the office a statement of the work done by him, and the condition of the convicts at the places visited during the preceding month; but the inspectors shall not be required to visit county convicts hired in the county where convicted, except when worked in mines or on railroads.

A BILL

To be entitled An Act to provide for the payment of costs on convictions of felony, where the defendant is sentenced to imprisonment in the Penitentiary.

SECTION 1. Be it enacted by the General Assembly of Alabama, That whenever a defendant is convicted of a felony and is sentenced to imprisonment in the Penitentiary, the clerk of the court in which the conviction is had shall make out a full and complete bill of the costs in said case, which bill of costs shall contain the following items, and no others: Clerk's fees for issuing subpoenas for State witnesses; issuing capias; clerks fees for docketing; for continuances; taking undertaking or recognizance and entering same; trial; entering judgment; issuing execution; entering order of removal; making certificate and transcript; entry of forfeiture, final judgment; record for Supreme Court; certi-

fyng same; final record; recording indictment; sheriff's fees; executing warrant or writ of arrest; bond or undertaking; serving subpoenas for State witnesses; committing prisoner; summoning jury; solicitor's fees on conviction; fees of State's witnesses.

SEC. 2. Be it further enacted, That the clerk shall make oath to the correctness of said bill before some officer authorized by law to administer oaths, and that each item of said bill is true and correct, and is a just charge against the defendant. He shall forward said bill of costs to the State Auditor, who shall carefully examine the same, and if found correct, shall draw his warrant on the Treasury for the amount of said bill; Provided always, that in no case shall the amount paid in any one case exceed the sum of one hundred and fifty dollars.

SEC. 3. Be it further enacted, That no contractor or person hiring State convicts shall pay any costs to any clerk.

SEC. 4. Be it further enacted, That the same fees shall be allowed for each item of costs specified herein, as are now allowed by law.

SEC. 5. Be it further enacted, That all laws and parts of laws in conflict with the provisions of this act are hereby repealed.

A BILL

To be entitled An Act to amend section 4648 of the Code.

Be it enacted by the General Assembly of Alabama, That section 4648 of the Code be amended so as to read as follows:

SEC. 4648. *Not less than twenty-five State nor less than ten county convicts hired to one person; how governed; misdemeanor.*—Not less than twenty-five State nor less than ten county convicts shall be hired to one person, or kept at one prison, and none of those hired to any person must be related to him by consanguinity or affinity—and they shall be governed, worked and guarded as prescribed by the rules and regulations prescribed for working penitentiary convicts outside the walls. The violation of this section is a misdemeanor, punishable on conviction by fine not exceeding one thousand dollars, and hard labor not more than twelve months.

A BILL

To be entitled An Act to amend Section 4641 of the Code of Alabama.

Be it enacted by the General Assembly of Alabama, That section 4641 of the Code of Alabama be amended so as to read as follows:

Hiring of State convicts; notice, sealed proposals, qualifications of bidders

etc.—All of the convicts may be hired to be worked outside of the walls; and when they are to be so hired, the president of the board of inspectors shall give notice thereof by publication in one or more newspapers in each of the cities of Mobile, Montgomery, Birmingham, Huntsville and Selma, for at least thirty days previous to a day designated in said notice, that sealed proposals will be received at his office for the hire of convicts. The notice shall state the terms and conditions upon which the convicts shall be hired. The proposals for hire must be printed or written, and shall state the number and class of convicts wanted, and the price to be paid for each per month; and the kind and locality of labor to be performed, and shall be enclosed in an envelope and securely sealed, and there shall be nothing on the outside of said envelope except the name and address of the president of the board of inspectors, and across the left end of the envelope the words "Proposals for Convicts." The president of the board shall keep such proposals safely, and on the day designated in the advertisement of hiring the proposals shall be opened by him in the presence of the Governor and of the members of the board of inspectors, and the bids shall be rejected or accepted by the board of inspectors, subject to the approval of the Governor; and, in the acceptance or rejection of the bids, regard must be had to the character and reputation of the bidder, the occupation, the healthfulness of the place where they are to be worked; each proposal, accepted or rejected, must be so indorsed with the date, and signed by the board of inspectors and the Governor, and must be kept by the president in his office, subject to examination by any citizen of the State. Provided, That any convicts that may have been reserved from any letting under the provisions of this section because they were needed for the uses of the State, or because they were at the time of the letting unable to perform manual labor, or on account of their sex, may be hired at any time either by advertisement as provided herein, or by contract made privately by the board of inspectors with the approval of the Governor, to such person or persons, and for such work as in the judgment of the board of inspectors and the Governor may seem best for the interests of the State.

REPORT OF JOINT COMMITTEE.

Mr. Lay, from the committee on the offices of auditor and treasurer, submitted the following report, which, on motion of Mr. Wiley, was received, and the committee discharged.

Mr. Speaker:

The joint committee appointed to examine the offices of the State auditor and treasurer respectfully report :

We have examined the two offices in the following manner : On the day the present treasurer, Mr. John L. Cobbs, qualified and was installed into office we personally examined the office of the State treasurer, and made a careful count of the funds and bonds on hand, and checked the result with the books in the office ; and saw that the proper receipts were executed by the incoming to the out-going treasurer.

We employed two expert accountants to assist us in examining the books, accounts and vouchers in the auditor's and treasurer's office. These accountants made a careful and searching examination of all the accounts, and vouchers, and books of both offices for the two years ending November, 1888, and compared the one with the other.

These gentlemen, Mr. W. Turner and Mr. J. E. Mann, were engaged in this examination for thirty-eight days, and made to the committee a very full report, which we submit herewith.

It is a source of congratulation to us as a committee and as citizens, that we were enabled to procure the services of these gentlemen.

In counting the currency in the treasurer's office Mr. F. M. Billing, of Montgomery, kindly gave us the benefit of his well known abilities, for which we are very grateful.

We take the greatest pleasure in assuring the people of Alabama, through this general assembly, that the finances of this State through these offices have been managed with skill, honesty and diligence.

The retiring treasurer, Mr. F. H. Smith, returns to private

life with a record to be emulated, and deserves, as he has, the confidence and esteem of his fellow citizens.

The retiring auditor, Maj. M. C. Burke, deserves the reputation that he has established, being peculiarly adapted to the discharge of the delicate and intricate duties devolving upon the auditor of this State. His execution of the revenue laws has been marked with great ability, diligence and success.

Such officers furnish additional proof of the ability of the people to govern themselves.

Having completed its duties, your committee ask to be discharged.

W. A. HUNDLEY, Chairman.
GEO. C. ALMON,
D. H. LAY,
J. F. WHITE,
J. M. CUNNINGHAM.

The hour of 6 p. m. having arrived, the house stood adjourned till to-morrow at 10 a. m.

CONFERENCE REPORT.

Mr. Pitts, from a conference committee, submitted the following report :

Mr. Speaker :

Your committee, to whom was referred the disagreement of the two houses on the senate amendment to

H. B. 241. To amend sections two, three, four, six, fourteen and thirty-three of an act entitled an act to amend an act to incorporate the district of Opelika, and provide for the government thereof,

Have had the same under consideration and recommend that the house concur in the senate amendments to said house bill, which are follows :

Amend H. B. 241, title, by striking out "and chief of police."

Amend section 2, 8th line, strike out "and chief of police" down to and by erasing all after the word "that" in 14th line inclusively; "1889" in 19th line, and insert in lieu thereof the following: It shall be the duty of the president and commissioners of the Opelika police board, immediately after the passage of this act, to appoint three resident citizens of Opelika to act as managers of said election on the 4th Tuesday in March, 1889.

In 19th line, section 2, after the words "further duty," strike out "judge of probate of Lee county," and insert in lieu thereof "Opelika Police Board."

In 32d line, section 2, strike out "probate judge," and insert "clerk of police board."

In 42d line, section 2, strike out "and chief of police."

In 53d line, section 2, strike out "and chief of pelice."

In 59th line, section 2, strike out judge of probate Lee county, and insert "the Opelika police board."

In 66th line, section 2, strike out "judge of probate of Lee county, Alabama," and insert "the Opelika police board."

Amend section 6, in 12th line: strike out "quarterly reports," and insert "semi-annual reports."

Amend section 14, 7th line, after the word "appointed,"

strike out "except the office of chief of police, who shall be elected as herein stated."

MESSAGE FROM THE GOVERNOR.

• CHIEF EXECUTIVE OFFICE,

Montgomery, February 12th, 1889.

Gentlemen of the Senate and House of Representatives :

I submit to your consideration the question of the pro-

priety of Alabama's taking a fitting part in the approaching celebration in the city of New York, of the Centennial Anniversary of the organization of the constitutional government of the United States, of the first meeting of congress, and of the inauguration of George Washington as President of the United States.

The citizens of New York, in conjunction with the chamber of commerce of the State of New York, the New York Historical Society, the order of the Cincinnati, and the Society of the Sons of the Revolution have organized a committee of citizens, "on the Centennial celebration of April 30th, 1789," and have taken steps to make the observance of the occasion worthy of the city, of the State, and of the signal events to be commemorated.

It has been brought to my attention that at a meeting of one of the committees raised in pursuance of this purpose, viz: The Washington Centennial Celebration committee, a resolution was adopted in substance as follows: "To invite the co-operation of all the Governors of all the States and Territories, requesting them to bring the matter before the legislatures of the several States, and requesting the attendance of members of the legislatures, of gentlemen whose ancestors took a prominent part in the inauguration and of the inhabitants of the States who would be particularly interested in the event."

I have received from a like committee, the sub-committee on States, an invitation extended to myself and staff, to the legislature and to prominent citizens of Alabama, to attend in the city of New York, on the occasion of the celebration.

Washington is the most august figure in our history, and his inauguration as President of the United States, was the formal initiation of a system of government which remains to invoke the admiration and reverence of every American, and it would seem appropriate for the people of Alabama to honor his memory, honor the State, and honor the Union itself by participating in the approaching celebration.

THOS. SEAY.

The above message was referred to the committee on federal relations.

MESSAGE FROM THE SENATE.

Mr. Speaker:

The president of the senate having signed the following bills, your signature thereto is requested.

Mr. Speaker :

The committee on federal relations, to which was referred the message from the governor bearing date February 12, 1889, in regard to the propriety of Alabama's taking a fitting part in the approaching celebration, in the city of New York, of the centennial anniversary of the organization of the constitutional government of the United States, of the first meeting of congress and of the inauguration of George Washington as president of the United States, have duly considered this matter of concern and importance to the State.

We beg leave to report that, in the opinion of the committee, it would be very appropriate for the people of Alabama to honor the memory of George Washington, our first president, and truly the most august figure in our history, by taking part in this celebration; and we believe further, that Alabama in participating in the celebration would do honor to itself and to the Union.

We recommend that the invitations referred to in the governor's message be accepted, and that the members of the legislature and all others in this State, to whom the invitations were extended, attend the celebration, and that the thanks of the legislature be returned for the invitations extended.

M. A. PORTER,
Chairman.

The report of the committee was concurred in.

MESSAGE FROM THE SENATE.

Mr. Speaker:

The senate grants the request of the house for a committee of conference on the bill—

H. B. 504. To establish the city court of Anniston.

Committee on the part of the senate: Messrs. Grant, Stallworth and Huey.

W. L. CLAY,

H. B. 1027, to a special committee, consisting of Messrs. Rabb, Lee and Kemp.

RESOLUTIONS.

Mr. Lay offered the following resolutions:

Whereas, the congress of the United States, by the fourth

section of an act, approved July 4th, 1836, entitled "an act to carry into effect in the States of Alabama and Mississippi, the existing compact with those States in regard to the five per cent. fund and the school reservation," authorized the selection by the State of Alabama, of a quantity of lands equal to one thirty-sixth of the lands ceded by the Chickasas Indians by the treaty of 20th October, 1832, for school purposes; the time and manner of selection and location of which lands was subsequently extended and modified by the act of congress, approved March 3, 1847.

And whereas, the location of these lands was attempted in the States of Louisiana and Arkansas, but the title thereto was not perfected in the State of Alabama;

And whereas, the time within which the title to said lands could be perfected has expired, and the State has never received any benefit from said grant; now, therefore,

Be it resolved by the General Assembly of Alabama, That our senators in congress be instructed, and our representatives requested, to secure such legislation in the congress of the United States as will enable the State to select and secure the quantity of lands to which it is entitled under said grant.

Be it further resolved, That the governor be requested to send a copy of this resolution to each senator and representative from Alabama in the congress.

Adopted.

Also,

Whereas, by the act of congress, approved May 23d, 1828, there was granted to the State of Alabama, for the purpose of improvement of navigation at the Muscle Shoals, and Colbert Shoals of the Tennessee river, the proceeds of which were applied in accordance with said act to said improvements; and whereas, by the provisions of the 8th section of the act of congress, approved September 4th, 1841, entitled an act to appropriate "the proceeds of the sales of public lands and to grant preemption rights," there was granted to the State of Alabama and other States named in said act 500,000 acres of land for the purposes of internal improvement, and by the act of congress, approved August 11th, 1848, the State of Alabama was authorized to apply the proceeds of said grant to school purposes; And whereas, there was deducted from said grant of 500,000 acres the 400,000 acres, which had been previously granted for and applied to the improvement of said Muscle Shoals and Colbert Shoals; And whereas, said improvements were

national in their character, and not "internal" as to the State of Alabama, and have since been undertaken by the government of the United States.

Now, therefore, be it resolved by the general assembly of Alabama, That our senators in congress be instructed and our representatives be requested to use their efforts to secure such action on the part of the congress as will enable the State to receive, for the purposes of education, the 400,000 acres deducted from the quantity granted by the act of September 4th, 1841.

Be it further resolved, That the governor be requested to send a copy of this resolution to each senator and representative from Alabama, in the congress.

Adopted.

Mr. Shorter, (Mr. Clements) in the chair, from committee on rules, submitted the following report:

Rule No. 54.

Commencing Monday, February 18th, and for three days, house bills in their order upon the calendar, shall be called.

Commencing February 21st, senate bills in their order upon the calendar shall be called.

Nothing in this rule shall effect special orders now made.

To change this rule, requires unanimous consent.

Which, on motion of Mr. Hogue, was laid on the table.

Mr. White of Dallas, offered the following resolution :

Resolved, That during the remainder of this session the house shall meet at 9:30 a. m. and adjourn at 1:30 p. m.; re-assemble at 3 p. m.; adjourn at 6 p. m.; re-assemble at 8 p. m. and adjourn at will.

SIGNING OF BILLS.

The speaker of the house, in the presence of the house, immediately after their titles had been publicly read by the clerk, signed the bills, and the joint resolutions, the titles of which are set out in the foregoing senate message, and report of committee on enrolled bills.

MESSAGE FROM THE GOVERNOR.

CHIEF EXECUTIVE OFFICE,
MONTGOMERY, ALABAMA,
February 21, 1889.

Gentlemen of the Senate and House of Representatives :

Since my induction into office, I have to report, in compliance with section 21 of an act

“To ratify and confirm the settlement of the existing indebtedness of this State, as proposed in the report of the commissioners appointed under the act approved 17th December, 1874, and which was communicated to the general assembly by message of the governor, of 24th January, 1876, and to carry said settlement into effect by the issuance of new bonds of this State, at a reduced rate of interest, in adjustment of a portion of said indebtedness, and the surrender of certain securities held by the State in discharge of another portion of said indebtedness,” approved February 23, 1876; the following bond exchanges:

On May 25, 1887, I took up fifteen Alabama and Chattanooga endorsed bonds for \$1,000.00 each, numbered 2453, 2454, 2455, 2457 and 2458, July, 1872, coupon attached; 1729, 2145, 2648, 2759, 2760, 2761, 2762, 2763 and 2812, January, 1874, coupon on; and 2456, January, 1873, coupon on, on basis of \$191.24 each, less \$3.24 for each missing coupon after July, 1872, making \$2,777.88, and I issued in lieu thereof two class “C” bonds, numbered 962 and 963 January, 1888, coupon on, for \$1,000 each, and \$777.88 in scrip to balance, making \$2,777.88.

On August 12, 1887, I took up five A. and C. endorsed bonds for \$1,000 each, numbered 2800 with July, 1872, coupon on, 211 and 212 January, 1873, coupon on; and 1576 and 3676 July, 1873, coupon on, basis of \$191.24 each, less \$3.24 for each missing coupon after July, 1872, making \$1,082.60, and issued in lieu thereof one Class "C" bond for \$1,000, numbered 964 with January, 1888, coupon on, and \$82.60 in scrip to balance, making \$1,082.60.

On the same basis on October 26, 1887, I took up two A. and C. endorsed bonds numbered 4694 and 4695 with July, 1873, coupon on, for \$1,000 each, together with scrip under date May 25, 1887, for \$777.88, and issued in lieu thereof one class "C" bond numbered 965 with January, 1888, coupon on, for \$1,000, and \$147.40 in scrip to balance.

On the 20th of August, 1888, I took up two five per cent. stock certificates numbered 192 and 193, issued under act February 6, 1867, for 225 pounds each, with January, 1874, coupon on, at \$1,095 each; and two five per cent. stock certificates number 34 and 35, issued under act 15th December, 1865, and 13th February, 1866, for 22 pounds and 10 shillings each, with January, 1874, coupons on, at \$109.50 each; and issued in lieu thereof four class "A" bonds numbered 7354, 7355, 7356 and 7357, with January, 1889, coupon, for \$500 each; four numbered 9155, 9156, 9157 and 9158, with January, 1889, coupons, at \$100 each, and \$9.60 in scrip to balance, making \$2,409.00.

On the 21st August, 1888, for one eight per cent. bond number 276 for \$1,000 with January, 1874, coupon on, issued under act of December 15, 1871, I issued two class "A" bonds numbered 7358 and 7359, with January, 1889, coupon on, for \$500 each.

In September, 1888, I took up and cancelled three eight per cent. bonds for \$1,000 each, numbered 298, 299 and 300, with September, 1873, coupons attached, issued under act February 25, 1873, and issued in their stead six class "A" bonds numbered 7360, 7361, 7362, 7363, 7364 and 7365 for \$500 each, with January, 1889, coupon on.

For one eight per cent. bond number 277 for \$1,000 with July, 1874, coupon, issued under act December 15, 1871, I, on October 1, 1888, issued two class "A" bonds numbered 7366 and 7367, with July, 1888, coupon attached for \$500 each.

For bond number 125 for 225 pounds, with June, 1875, coupon attached, issued under act February 17, 1870, taken up

and cancelled on the 6th February, 1889, I issued two class "A" bonds numbered 7368 and 7369, with July, 1889, coupon attached, for \$500 each, and \$95 in scrip to balance.

I have caused accurate descriptions to be made of "all bonds, notes and evidences of debt of any kind against the State received under the provisions of this act," as I find filed here since November, 1878; and as provided by law, will have same burned in the presence of the secretary of State and attorney general.

In making the record referred to I ascertained that on the 20th June, 1879, in an exchange with Hollgarten & Co., of New York, they presented for exchange two eight per cent. bonds for \$500 each, numbered respectively 992 and 993, issued under act December 12, 1868, and received therefor, as appears from the record, four class "A" bonds of \$500 each, numbered 6786, 6787, 6788 and 6789, making an error in favor of Hollgarten & Co. and against the State of \$1,000.

I have been assured that this error, principal and interest, will be made good in a very short while.

THOS. SEAY.

The governor's message was read and referred to the committee on ways and means.

RESOLUTIONS.

By leave, resolutions were introduced as follows:

By Mr. Lay—

Whereas, the enrolling clerk incorrectly enrolled house bill 200—a bill to be entitled an act to amend an act to regulate the practice of pharmacy and the sale of poisons in cities and towns of more than one thousand inhabitants in the State of Alabama;

And whereas, the governor has signed the bill so incorrectly enrolled, which is not the bill as passed by the two houses of this assembly;

Resolved (the senate concurring), that the governor be requested to erase his signature from said bill, and return the same to the house in order that the bill, as passed, be correctly enrolled.

Adopted.

By Mr. Rabb—

Resolved, that no member shall clap his hands or give other demonstration of approval or disapproval during the discussion of any question or the passage of any bill.

Which was referred to the committee on rules.

By Mr. Henderson—

Resolved, that the house continue in session until the call of counties is complete.

Which, on motion of Mr. Anderson, was laid on the table.

By Mr. Smith—

Resolved, that the house continue its session of to-day until 7:30 p. m., and adjourn to meet again Saturday next at 9:30 a. m.

Adopted.

MESSAGE FROM THE SENATE.

Mr. Speaker :

The senate has reconsidered and passed, notwithstanding the governor's veto, the bill,

s. 231. For the relief of Samuel J. Bolling and Warren R. Thagard, as sureties on the official bond of Jonathan L. Powell, as judge of probate for the county of Butler.

And herewith sends the same to the house with the objections of the governor.

OBJECTIONS OF THE GOVERNOR.

MONTGOMERY, ALA., }
February 20, 1889. }

Mr. President and Gentlemen of the Senate:

I herewith return without my approval, senate bill 231, entitled "an act for the relief of Samuel J. Bolling and Warren R. Thagard, as sureties of the official bond of Jonathan L. Powell, as judge of probate for the county of Butler."

On or about the 11th day of May 1887, having received information that the accounts of one Powell, former judge of probate of Butler county, needed examination, I dispatched Mr. James A. Reeves, the examiner of public accounts, to Greenville, Alabama, with instructions to examine into the accounts of the former judge of probate with the State, and to make a full report thereon.

On the 12th day of August, 1887, the examiner made a very full and comprehensive report, wherein it appeared that there was a default to the State amounting in the aggregate to \$9,590.92.

This report is on file in the office of the auditor, subject of course, to public inspection.

The auditor was instructed to enquire into the sufficiency of the sureties, and if found sufficient, to collect the money. He reported the sufficiency of the sureties and the necessity for suit, in order to enforce the claim of the State. Two of the sureties applied for compromise to the board constituted by law, composed of the State auditor, then Mr. Burke, the present attorney-general, and the governor, and after hearing evidence touching the justice of the claim and the sufficiency of the sureties, it was the unanimous opinion that the claim was legal, just, amply secured, and that it should be collected. Thereupon, according to law, the claim was placed in the hands of the solicitor of the 2d judicial circuit, Mr. Stallings, and he, with the attorney-general, reduced the claim to judgment after a trial before a jury in the circuit court of Butler county, the home of the securities, who by this bill asked to be relieved.

Until some other mode for securing indemnity for defaults, other than the execution and delivery of official bonds, is established by law, I hold that it is just and entirely equitable that the sureties should make good their contract of indemnity to the State.

Mr. Powell was elected judge of probate of Butler county by the people thereof, but something more than election is necessary to the occupancy of the responsible office of judge of probate. The individual chosen by the people, is required to execute and deliver a bond for the faithful discharge of his duty. Sureties, in qualifying an officer elected, promise the State that they will make good his default. If the default occurs and the surety is amply solvent, there is, in my opinion, no room for questioning the duty of those to whom is entrusted the collection of the revenue of the State.

After the rendition of the judgment in the circuit court of Butler county, these sureties applied to the solicitor and attorney-general for delay as to a part of the claim of the State, and a delay of six months as to over half of the amount was granted to them by the solicitor and attorney-general, and their action received the approval of the board to which I have heretofore referred.

The proposition which would relieve these securities from paying interest on this debt, would also relieve them from paying the principal, and the establishment of this doctrine would require the State, in justice and equity, to return a great deal of money which has been collected from reluctant sureties.

In this case the default is acknowledged, the debt is confessedly just, and in my opinion the surety is ample.

THOS. SEAY.

WM. L. CLAY,
Secretary.

SENATE MESSAGE.

The house proceeded to reconsider the bill,
s. 231. For the relief of Samuel J. Bolling and Warren R. Thagard, as sureties on the official bond of Jonathan L. Powell, as judge of probate of the county of Butler.

And after such reconsideration, a majority of the whole number of members elected to the house of representatives of Alabama voted for the passage of said bill, and the bill passed, the governor's veto to the contrary, notwithstanding.

REPORT OF COMMITTEE.

Mr. Speaker :

Your committee on ways and means, to which was referred the memorial of George Wilkinson and S. H. Kneeland, praying for the appointment of a commissioner to hear

evidence and pass upon the liabilities of the State for \$300,000 straight bonds issued under an act approved March 3rd, 1870, have had the same under consideration, after patiently hearing the memorialists through their able counsel, Messrs. Semple, Humes and Gunter; and after a thorough examination of the several acts of the general assembly, and the evidence before and the reports of the committees heretofore appointed to examine into the manner of the issuance of these and other bonds of the State—and after examining the report of the commissioners appointed to settle and adjust the indebtedness of the State, made——, 1876, and an examination of Gen. L. W. Lawler, the surviving commissioner,

We report :

That the liability of the State for the bonds of memorialists was fully considered by the commissioners appointed to settle and adjust the State debt, and were by them ignored, and no claim until now has been made upon the State for their recognition. Our investigation convinces us that the action of the debt commissioners was proper, and that to re-open the settlement made by them would be unjust, both to the citizens and to the creditors of the State.

We recommend that the prayer of the memorial be not granted.

Respectfully submitted,

D. H. Lay, Chairman.
J. A. Watters,
N. N. Clements,
J. M. Cunningham,
Thos. J. Patton,
H. J. Smisson,
A. W. Moseley,
D. J. Meador,
W. T. Webb,
W. S. Lewis,
Wm. R. Hardy.

The report of the committee was received and adopted.

JOINT RESOLUTION.

Be it resolved, by the house of representatives, (the senate concurring), That the enrolling clerk of the house be instructed to re-enroll house bill 184, and to present the same to the governor for signature.

This bill passed the house and senate in the terms in which it was introduced, but the enrolled copy presented to the governor was an entire departure from the original bill and the engrossed copy.

Adopted.

MESSAGE FROM THE GOVERNOR.

CHIEF EXECUTIVE OFFICE,
MONTGOMERY, ALABAMA,
February 28th, 1889.

Mr. Speaker and Gentlemen of the House of Representatives :

I herewith return without my approval house bill No. 332, which is in words and figures as follows, to-wit :

"An act to amend section 2755 of the Code of Alabama."

Section 1. Be it enacted by the general assembly of Alabama that section 2755 of the Code of Alabama be amended so as to read as follows :

2755 (3110). *When charges must be in writing and made part of the record.*—In all civil and criminal cases the judge must charge the jury in writing if the charge is required to be so given by either party, and notice of such requisition is given after the testimony is closed and before the argument to the jury is commenced ; and whenever the judge desires to comment on the evidence, or upon its weight or sufficiency he shall do so in writing, whether requested to do so or not, and every written charge given hereunder becomes thereby a part of the record in the cause."

The change proposed in this bill is contained in the latter clause, which requires the judge, if he desires to comment on the evidence, or upon its weight or sufficiency, to do so in writing, whether requested to do so or not.

This is a radical change in our law, and is, in my judgment, equivalent to requiring all charges of the judge to be in writing in substantially every case, for it is hard to conceive of a charge of a judge applicable to the facts disclosed without comment on the testimony. One result of this enactment would be to render the administration of the law in the courts below less expeditious, and I have not been able to find any sufficient reason in the interests of justice for this great change.

It will be remembered that under the law as it now stands the court must charge the jury in writing, if the charge is requested to be given by either party after the testimony is closed and before the argument to the jury is commenced.

It seems to me that this provision of the law is sufficient without compelling the judge, if he comments on the testimony, to do so in writing, unless it should be desired by the parties to the suit.

THOS. SEAY.

The house reconsidered the bill—

H. B. 332. To amend section 2755 of the Code of Alabama.

And the question being whether or not the bill should pass, the governor's veto to the contrary notwithstanding—the vote was taken and the bill lost.

Yeas 4, nays 57.

Yeas—Messrs. Speaker, Cunningham, Davie and Fitzpatrick—4.

Nays—Messrs. Adams, Anderson, Arrington, Benners, Bevis, Bogart, Blevins, Brown, Clements, Cochrane, Darby, Dark, Denson, Dupree, Dykes, George, Higgins, Hundley, Johnson, Kyle, Lay, Ledyard, Lee, Lewis, Longshore, Lowe, Maddox, Maley, Moseley, McElvey, McLeod, Nelson, Ne-Smith, Nisbet, Paine, Parker, Patton, Pettus, Pitts, Porter, Posey, Powell, Pratt, Russell, Simmons, Smisson, Smith, Stansel, Stowers, Wade, Walker, Watson, Wiley, Williams, Woolf, White of Dallas, White of Geneva—57.

RESOLUTIONS.

The following resolutions were offered, by leave, and adopted:

By Mr. McLeod—

Resolved by the House of Representatives, That the thanks of this house are hereby tendered to the Mobile Register for its kindness and courtesy in having placed that paper at the service of this house without price.

By Mr. Smith—

Resolved, That the thanks of this house are hereby tendered to our efficient and courteous clerk, Benjamin F. Elnore, Esq., and his competent and agreeable assistant, A. H. Carmichael, Esq., each of whom have discharged their respective duties with accuracy, fidelity and promptness, and in so doing have rendered valuable services to the State of Alabama, and to the members of this house.

Resolved further, That the thanks of this house are also tendered to the other clerks and assistants, and Mr. Hasson, doorkeeper, and his assistants for the faithful, courteous and efficient manner in which they have discharged their respective duties.

By the committee on engrossed bills—

Whereas, The session of the general assembly of 1888-9 is drawing to a close; and,

Whereas, We, the members of the house, composing the committee on engrossed bills, appreciating the valuable services of our efficient clerk, Maj. L. C. Ramsey; therefore be it

Resolved, That the thanks of this committee are due and hereby tendered for his accurate, painstaking, courteous and cheerful discharge of the duties of his office, thereby greatly facilitating the business of the house, and saving much labor to the committee, which would otherwise have devolved upon us.

JOHN V. SMITH, Chairman.
R. L. BRADLEY,
SAM'L HENDERSON, JR.,
O. P. DARK,
M. V. MALEY,
W. B. DARBY,
A. J. ARRINGTON.

By Mr. Lay—

Resolved by the House (the Senate concurring), That a committee of three from the house and three from the senate be appointed to wait upon the governor and ascertain if he has any further communication for the consideration of this general assembly.

Committee on part of the house—Messrs. Lay, McLeod, and Paine.

MESSAGE FROM THE SENATE.

Mr. Speaker:

The senate concurs in the house joint resolution relative to waiting on the governor.

Committee on the part of the senate—Messrs. Waddell, Handley, and Haralson.

W. L. CLAY,
Secretary.

REPORTS FROM JOINT COMMITTEE.

Mr. Lay, from the joint committee appointed to ascertain whether or not the governor had any further communication to make to the general assembly, reported that the committee had discharged their duty, and that his excellency had no further communication to make.

The journal of to-day was read and approved.

Thereupon, the speaker made the following remarks:

Gentlemen of the House of Representatives:

The legislative session has drawn to a close by constitutional limitation. Your duties here are ended. Your actions as law makers have become a part of our public history. The results of your labors are to be tried by the analysis of the future and the criticism of practical application. You have exhibited commendable fidelity to the interests of your constituents and have been actuated by lofty sentiments of patriotism for the general welfare of Alabama.

We may have committed mistakes in our zeal to advance the prosperity of the country, and may have misinterpreted in some instances, the wishes of our constituency. If such was the case, the results were errors of the judgment and not the consequences of intended wrong. No man can arrogate to himself immaculateness, neither can the legislator shield himself from criticism, nor hope to be free from the commission of mistakes in the discharge of his responsible duties. You have been faithful to your trust and honest in the expressions of your convictions. I have observed with pleasure, that you have been influenced only by the earnest desire to promote the advancement of our State's prosperity, to develop her resources, educate her children and preserve inviolate her financial integrity, and not by attempting the enactment of shrewd legislation and the

pursuit of methods appealing to prejudice, to establish a false predicate for unworthy ambition. You have worked with an application unsurpassed by the record of any house of representatives in my recollection. Your reward must be in the approval of your constituency and in the consciousness of duty well and honestly performed. You are about to return to your homes to resume your usual vocations in solving the problem of life. I hope that you may find your families and those that are dear to you in the enjoyment of health. You have my heartfelt prayer for the blessings of this life and the joys of a happy immortality.

In conferring upon me the honor of the speakership of this distinguished body, you awoke within me feelings of the deepest gratitude. This confidence affects me most sensibly. I have tried to do my duty, oftentimes, as you well know, under embarrassing circumstances. I acknowledge my sincere thanks for the uniform courtesy shown to me by this house, and shall always cherish for each member sentiments of warm affection. Your friendship and confidence have bound me to you with indissoluble links of a golden chain. I shall always remember with feelings of emotion, the pleasant memories of this session, and nothing shall ever efface them from the tablets of my heart.

"You may break, you may shatter the vase, if you will,
But the scent of the rose will hang round it still."

Pursuant to constitutional requirements, I declare this house adjourned *sine die*.

The hour of 12 o'clock, P. M. having arrived, and the session having expired by constitutional limitation, the Speaker declared the house adjourned *sine die*.

C. C. SHORTER,
Speaker of the House.

Attest:

BENJ. F. ELMORE,
Clerk of the House.

[The following report of Hon. John H. Caldwell, should have been printed on page 361, immediately after the Governor's message, relating to same:]

To His Excellency,

THOMAS SEAY,

Governor of Alabama,

Montgomery, Ala.

SIR:—I have the honor to submit the following report, showing results of efforts on behalf of the State of Alabama, in the prosecution and settlement of claims of said State against the general government:

Referring to a report made by me to your predecessor, which is on file in your office, the work on behalf of the State was actively begun in January, 1885. The efforts of the agency at that time were directed to the recovery of what was due the State from the swamp land grants, including indemnity scrip for swamp lands sold by the government after said grant. Such was the magnitude of the work, and so limited the clerical force in the department at that time, that it was more than a year before final action was taken on any part of the work, but in May, 1886, twenty thousand and nine and 36-100 (20,000.36 100) acres of swamp land indemnity scrip was certified to the State, and, in September, 1886, the secretary of the interior approved and certified to the State a list containing thirteen thousand eight hundred and seventy-five and 55-100 (13,875.55 100) acres of swamp lands in place.

Upon the records of the swamp land division are to be found about thirty-five thousand (35,000) acres, which have been designated as "swamp," which were sold for cash between the years 1850 and 1857, for which the State is fairly entitled to indemnity; but the treasury department had, for many years, refused to pay anything to States that had not paid the war-tax of 1861. The same ruling was made by the department with reference to the 5 per cent. due the State on account of the sales of public lands. The records of the government showed that Alabama was entitled to \$18,285.03 from the 5 per cent. fund on sale of public land, but on the debtor side of the account stood the formidable amount of \$529,313.33 leaving the State largely in debt to the government. Under this state of facts no adjustment was at that time had.

Those interested, who had examined the subject, thought

the rulings of the officers of the department were arbitrary and unjust, and therefore made an effort to relieve Alabama and other States in like condition from the embarrassed position in which they were placed by the rulings referred to, and invoked the aid of congress, and asked the passage of the following bill :

“A BILL

To adjust the claims of the State against the United States.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the secretary and comptrollers of the treasury department be, and are hereby directed and required to adjust and settle the account of any State demanding a settlement against the United States, and pay over to such States the balance, if any, found due to it, out of any money in the treasury not otherwise appropriated. In such settlement and adjustment no charge shall be made, or, if made, shall be valid, by way of offset or otherwise, against any State, on account of the direct war-tax laid by Congress by an act approved August 5, 1861.”

This effort was fruitless. Congress would not, or at least did not, do anything in that direction. Hon. Van H. Manning, residing in Washington, whom I had employed and associated with me in the prosecution of the State's claims against the United States, instituted proceedings in mandamus against the first comptroller of the treasury to prevent the further covering into the treasury such funds as we were seeking to recover from the government. This proceeding resulted adversely, and we were driven into a direct suit with the government.

Upon consultation, as agent for the State of Alabama, I authorized Mr. Manning to bring suit in the court of claims for the \$18,285.03 due the State from the 5 per cent. fund. He associated with himself Hon. J. B. Edmonds, of Washington, D. C., and suit was instituted to recover the above mentioned amount.

Counsel for the State were met with the grave question of jurisdiction. It was argued orally and by brief, and strongly resisted by assistant attorney-general, but after argument and due consideration the court assumed jurisdiction, and Alabama was heard to assert her claim in the courts of the country.

This contention, as you have learned from what has been before stated, grew out of the refusal of the officers of the

treasury department to pay to the State of Alabama the 5 per cent. net proceeds of the sale of public lands in the State of Alabama, the general government claiming to set-off the demands of the State with the unpaid war-tax levied by act of congress in 1861.

Upon the trial of said case a decision was rendered by the court, favorable to the State, for the amount claimed, \$18,285.03. From this judgment of the court of claims, the government appealed to the supreme court; the law officers of the government were active and vigorous in resisting said suit, but after a hearing before the supreme court of the United States, the judgment of the court of claims was affirmed, and the rights of Alabama were secured to her. Supreme court decision 123, p. 73. on the 24th of October, 1887.

As a result of the suit just mentioned, there was paid to the State \$18,285.03, and for the fiscal year ending June 30, 1887, \$17,240.21 was paid to the State, the same being the 5 per cent. net proceeds of sales of public lands for that year.

The 5 per cent. account for the year ending June 30, 1888, will be stated, as I am assured, in a few weeks, and the amount will approximate \$10,000.

Thus, it will be seen that the State has realized, or will in a few weeks, as the fruits of the above stated suit, the sum of \$44,525.24, less commissions allowed for collection, all of which amounts, had there been no suit brought, would have been covered into the United States treasury, whose vaults never open except at the bidding of congress.

This is illustrated by the fact, that the sums due the State of \$1,694.08 on account of the 2 per cent. fund from July 1, 1884, to June 30, 1886, and \$2,541.13 for the same period on account of 3 per cent. fund, aggregating \$4,235.21, were covered into the treasury pending the said suit, and all efforts thus far have been unavailing to overcome opposition in congress to an appropriation of said sum. In my judgment, the opposition in the house before it would consent to make an appropriation to pay this claim which the courts have said was lawful to be paid, would demand the passage of a bill refunding and reimbursing the northern States for all the war-tax they paid, aggregating about fifteen millions.

Since the issuance of swamp land indemnity scrip (20,009.36 acres) before mentioned, the claim of the State of Alabama to cash indemnity for lands sold for cash between 1850 and 1857, and which are designated as "swamp," has been asserted, but on the 24th day of May, 1888, the honorable commissioner of

the general land office, made a decision in which he holds for rejection said claims of the State. From this decision I have appealed, and the question is now before the secretary.

The only other claim of the State now pending is its school indemnity claim for lands in place of the sixteenth section, lost by reason of private claims, pre-emptions, Indian claims, or where the sixteenth section is wanting or deficient by reason of State boundaries, rivers, etc.

When the work of settling this claim was undertaken, the department held that the State could only select as school indemnity the \$1.25 lands in the southern portion of our State.

Anxious to secure the most valuable lands possible to satisfy this claim, a careful examination of all the laws and decisions bearing on the subject was made, and we became convinced that the State had a right to select even mineral lands in any portion of the State. To this end I made a test case, by selecting and listing in the land office at Montgomery, Alabama, the northwest quarter of northeast quarter, section 28, township 17, range 1 west, for the State of Alabama, on account of deficiency in school lands. The general land office at Washington rejected the selection. An appeal was immediately taken in the matter to the secretary of the interior, and after a long time, and patient labor, arguing and re-arguing the case, orally and by brief, in the effort to overcome adverse decisions, from time to time, made by the law officers of the department, the secretary himself finally heard the arguments presented by counsel, and decided the case favorably for the State.

About 30,000 acres have been selected with great labor and much expense. Last winter, the undersigned, in company with Dr. S. L. Crissey, of Washington, an attorney and expert in land matters, spent about two months visiting the mineral and coal regions in Alabama, making as careful examination of the coal fields in Jefferson, Walker, Tuscaloosa, Bibb, and Jackson counties, as well as could be without the use of pick and drib, drawing from all possible sources whatever information could be obtained with reference to mineral lands and employing as occasion demands guides and experts in prospecting. In this connection I beg to say, that from no source did we receive more valuable assistance than from Hon. A. C. Hargrove, of Tuscaloosa, and Dr. Smith, and Maj. McCalla, of the University of Alabama, whose kindness, courtesy and alacrity in imparting information desired, were only equalled by their great knowledge and familiarity with matters which we had in hand. As an evidence of our appreciation of their

aid, the selections made were mainly in the line of their suggestions.

Possibly it is fair to presume that the best coal and iron lands have long since been entered, but I feel very sure that the tracts selected for the State will, in time, prove to be much more valuable than mere timber or agricultural lands.

Having had lists prepared and filed in the local land offices, I supposed they would be forwarded to the general land office, and would be certified to the State in time for me to report to you before the meeting of the general assembly, that our work on this claim was ended; but I was notified in October by the local officers in Alabama that the Hon. Commissioner of the general land office had ordered a suspension of action on lists of school indemnity lands, filed in their respective offices, till further orders. This delay was caused by the passage of a joint resolution by congress, holding all public lands in Alabama as subject to homestead entry only, which was so construed as to bar our selection of mineral lands. This question was argued before the commissioner of the general land office, repeatedly, when finally, after more deliberate consideration, a decision favorable to the State was rendered. Now, that this order of suspension has been modified, and the entrance fees have been paid, it is probable the lists will be soon certified to the State.

The area first estimated as due the State, as school indemnity was 18 or 30,000 acres. Upon further search it was found that four townships set apart by congress for the "cultivation of the vine and the olive," had not had their quota of school lands. The claim was made for them, and recently a decision has been rendered in favor of the State.

The condition of the school lands in the Chickasaw reserve, in the north-west portion of the State has been taken up and carefully examined. Some four acts of congress have been passed on this subject, and two selections have been made of about 12,000 acres each, one in Louisiana and one in Arkansas, but with two exceptions, the rights of the towns have gone by default, and the selections have been cancelled.

The right of the State to indemnity was set up under the enabling act for Alabama, of March 2d, 1817, and the claim has been approved by the Secretary of the Interior, as presented. In the absence of briefs filed by counsel both for claimant and the government, an intelligent appreciation of the contention evoked by the claim, can best be had by reading the favorable decision of the secretary printed in the 6th vol. Departmental Decisions, p. 493.

This claim has slumbered for seventy years in a neglected and forgotten grave—has been resurrected and vigorously pressed step by step to a “consummation devoutly” to be hailed. It is confidently to be hoped the area due the State has been increased 30,000 acres, and other few thousand more will probably be added.

SUMMARY.

The result of labors to date is as follows :

20,009.36 acres of swamp land scrip locatable in any of the offered government lands in the State.

13,875.53 acres of swamp lands in place patented to the State, as against not an acre of land scrip issued, or an acre patented to the State in thirty years before.

\$35,525.24, (\$33,119.90 net), paid to the State, and about \$10,000 additional that will be paid in a few weeks, and about 30,000 acres of school indemnity lands selected.

These results came not by the free grace of the government; they came not at the mere bidding upon the demand of an account stated; they were born of the inviolability of contracts, and come through the labor and conflict of unusual litigation. Every dollar of the money collected for the State of Alabama has been paid over, in the language of the official communications from the treasury department, “pursuant to the decision of the Supreme Court of the United States.”

In submitting this report I cannot fail to express my obligations for valuable assistance, to Hon. Van H. Manning, and J. B. Edmond, and Dr. S. L. Crissey, whom I have had associated with me in the prosecution of these claims, each of whom has done his part with fidelity, and with signal ability.

I have the honor to be

Very truly your obedient servant,

JNO. H. CALDWELL,

Agent for the State of Alabama.

97,140.08 at 3 per cent., \$2,914.21.

Total am't due State of Alabama from July 1 to October 14th, 1887. \$ 4,857 01

Supplemental to the foregoing general report, I beg leave to add as an appendix the following statement, showing, in detail, what was due the State of Alabama from the general government, on account of the 5 per cent. fund from last payment in 1860 to closing of land offices in Alabama.

Also, statement of what was due from same source, from the opening of land offices after the war up to, and since the commencement of suit by me for the recovery of said fund, which had been so long withheld by the general government. Also, statement of said fund accruing and due the State from the commencement of said suit to date, and amount due the State since the termination of said suit.

The amount due the State of Alabama arising from the 5 per cent. fund, or more commonly known as the 2 and 3 per cent. funds, from the last payment in 1860 to closing of the land offices at the beginning of the war, was eight thousand, sixty-two and 44-100.....\$ 8,062 44

Which accrued as follows :

Amount due at beginning of suit, accrued after the war \$ 30,210 37

The amount of \$253.02 from Jan. 1, 1861, to closing land offices, is included in the first two items at top of page.

Of the last amounts named, there had been covered into the U. S. Treasury on account of "direct war tax" at the date the suit was instituted, viz: 18th January, 1887, \$18,285.03, the amount sued for, the balance of the amount not being stated at that time.

From the time the suit was instituted to the termination thereof, there had accrued the following amounts:

from the department at Washington in due course of busi-
ness.

I have the honor to state further, that while the suit was
pending, I requested that no additional amounts be covered
into the treasury on account of the "direct war tax;" but
the following amounts (as per letter from treasury depart-
ment now on file in executive department of the State) were
through inadvertence covered into the treasury on the 25th
